

## Smith, workers in talks

Negotiation of a new working agreement for 1,650 members of the United Auto Workers union employed at the A. O. Smith Corp. auto-frame plant in Granite City continued today in a meeting that began at 10 a.m. at the Sunset Hill Holiday Inn. Efforts to agree on a new working agreement package involving wages, fringe benefits and working conditions have been under way since the former contract expired Feb. 14, according to Willard Herzing, president of UAW Local 1715.

Negotiations are being conducted under a contract extension on a day-to-day basis, Herzing said.

Another negotiating session is tentatively set for tomorrow, union officials added.

Members of the union are to meet Sunday at 1 p.m. in the gymnasium at Granite City High School South to hear a report on progress in the negotiations.

Details of wage increases sought by the union along with fringe benefits and other contract factors were not disclosed pending outcome of the negotiation sessions.

Herzing told the Press-Record that negotiations have been continuing "in good faith by both sides. The union does not want a strike. We want to keep men working."

"But there are some terms that other unions have and we think we are entitled to them, too."

A company spokesman said that plant officials have no comment at this stage of the negotiations.

**TOWN HALL GROUND BREAKING.** Granite City township, city and school officials prepare to turn the first shovels of Tuesday morning to mark the beginning of construction of the new \$639,940 township office building and senior citizens' center at 21st Street and Delmar Avenue. From left, Fire Chief Don Parente, First

Ward Alderman Everett Morlen, Henry Gabriel, architect for the project; Curtis Blevins, alderman of Ward Five, Nelson Hagauer, township supervisor; Edgar Paddock, president of the Granite City Senior Citizens; Mayor Paul Schuler; Robert Stevens, city clerk; Harold Davis, secretary of the Granite City School District Board of

Education; B. J. Davis, superintendent of schools; Vasil Efimoff, administrative assistant-pupil personnel of the school district; Frank Kraus, assistant superintendent of schools, and Anthony Rusick, city building inspector. The building will be constructed by S. M. Wilson Construction Co., with a target date for completion in September.

(Press-Record Photo)

## Union course to begin

A special course in Union Counseling for all members of organized labor starts this evening at 7 o'clock at the Tri-City Area YMCA, under sponsorship of the Tri-City Trades and Labor Council, Larry Miller, director of the AFL-CIO Community Services, said the series will continue each Thursday night at the "Y" through April 7.

Two morning sessions also are scheduled to afford participating union members an opportunity to attend at least five classes and receive a union counselors' certificate.

Guest lecturers will include representatives from the Internal Revenue Service; Illinois State Employment Service; Unemployment Insurance Division; Employment Security Manpower; Social Security Administration; and Madison County Public Aid and federal, state health, education and welfare programs.

Two attorneys will speak on "Workman's Compensation," and labor's participation in the United Way (United Fund) will be the topic of two other guests. Miller said about 40 union members already have signed up for the course and more are expected.

Registrations will be accepted at any time during the series of classes. However, an individual must take part in at least five sessions to be entitled to the union counselors' certificate, Miller stressed.

Certificates will be awarded at a graduation banquet, (Continued on Page 8)

## Plan new lift station

A sewage lift station behind Lockhaven Drive in the Steelcrest Subdivision which has been malfunctioning and allowing industrial waste to escape onto the rear lawns of several homes will be replaced by Archer Daniels Midland Co., the primary user of that sewer, the Granite City Council was informed Tuesday night.

The sewer line was constructed by ADM to service primarily the ADM soybean

processing plant on Cargill Road to discharge wastes from that process into the existing Granite City sewers near Steelcrest.

In order to obtain easements for the work, ADM allowed several Steelcrest residents to tap their home sewage systems into the new sewer line.

A lift station was placed behind Lockhaven Drive to lift the waste from the end of the

## Hugh Hairston dies

Hugh Robert Hairston, 76, of 800A Main St., Venice, active in community affairs, died Tuesday at the Normandy Osteopathic Hospital, St. Louis County, where he had been a patient one week.

He was a member of the First Baptist Church, St. Louis, where he served as deacon and chairman of trustees. Mr. Hairston served for many years as president of the Madison Branch of the National Association for the Advancement of Colored People and was a life member of the organization. He was active as finance chairman of the Illinois group of NAACP branches and as treasurer of the Madison County Economic Opportunity Commission.

Mr. Hairston was owner and operator of the Hairston Apartments in Venice and formerly owned and operated a service station in Venice. He was affiliated with Madison County senior citizen groups and was a director of the Alcazar Home for the Aged.

HUGH R. HAIRSTON

Mr. Hairston was born on March 6, 1900, in Crawford, Mass., and resided in Venice 41 years.

Survivors include his wife, Mrs. Velma Hairston; seven children, Samuel H. Hairston, (Continued on Page 8)

## On and off the record

Precincts alive, well and growing

Granite City will vote in this year's April 5 city election in 33 precincts instead of the 31 polling locations previously established as the result of action taken by the City Council Tuesday night.

The council adopted unanimously an ordinance establishing Precincts 32 and 33 and revising the boundaries of Precinct 23.

The action followed discussions by county officials noting that many precincts in the county, including Granite City, contain far more than the 800 voters allowed by law in any one precinct.

Miss Evelyn Bowles, county clerk, said at that time that some precincts in Granite City have as many as 1,100 or 1,200 registered voters.

Because of the large size of some precincts, any voter or candidate could challenge the outcome of an election in precincts where the voter population is greater than the number allowed by law, officials said.

Council members voted unanimously to enact an ordinance revising Precinct 23 and creating the new precincts. The ordinance, in establishing

new boundaries of Precinct 23, provides:

"Election Precinct 23 shall include all of that part of the city of Granite City and the town of the city of Granite City, Ill., lying within the following boundaries: Beginning at a point where the center line of Rock Road intersects the center line of the prolongation of the alley between Cayuga Street and West 22nd Street; thence in a generally northerly direction along the center line of Rock Road to its intersection with the right of way with the FA Route 151; thence in a generally westerly and southerly direction along the right of way of FA Route 151 to its intersection with the corporate limits of the city of Granite City; thence along the corporate line of the city of Granite City in a general westerly and southerly, westerly, southerly, westerly, southerly, and easterly direction to a point where the same is intersected with a prolongation in a westerly direction of the center line of the alley between Cayuga Street and West 22nd Street; thence in a general easterly direction along the prolongation of the

(Continued on Page 5)

## Weather outlook for this region

Several periods of showers and thunderstorms likely today through Friday. High today near 60. Low tonight about 40. Cooler Friday with high in the 50s. Saturday through Monday, chance of rain on Sunday;

otherwise partly cloudy. Weekend lows in the upper 20s to low 30s, and highs in the mid-40s to lower 50s.

## OK hospital bond program

By HARRY BARNES

Press-Record Staff Writer  
An enabling bond act under which Granite City may issue hospital revenue bonds to finance an \$18 million renovation and enlargement project at St. Elizabeth Hospital was enacted by the City Council Tuesday night.

The action was one phase in a series of developments in which the council moved to clear the way for the hospital expansion, which has been proposed as the result of a survey of the community's health needs.

The aldermen: 1. Enacted an ordinance granting to the Sisters of Divine Providence, operators of the hospital, the right to install, operate, maintain, replace and remove pipelines, utilities, stormwater lines and other installations under, through and across Washington Avenue, between Niedringhaus Avenue and 21st Street.

2. Approved an ordinance giving the hospital the right to remove, cut off or intercept the present 72-inch combination sewer in and along that portion of Iowa Street, now vacated and which formerly existed between Niedringhaus Avenue and 21st Street, and granting the right to install a pair of 54-inch combination sewers parallel to the 72-inch combination sewer which is to be abandoned, and to accept a 15-foot easement for the combination sewer purposes.

This measure also authorizes construction of improvements over and across the pair of 54-

inch combination sewers and relinquishes all rights of utilities in that strip of land (formerly known as Iowa Street) upon relocation of the utilities.

3. Concurred in an ordinance

which vacates part of an alley located in Block 22 of the original plan of Granite City and accepts the dedication of an alleyway and of a sanitary

(Continued on Page 8)

## Retroactive payments in phone pact

A new franchise for Illinois Bell Telephone Co. was approved by the Granite City Council Tuesday night after a special negotiating committee informed the aldermen that the utility has agreed to pay the city phone bill refunds retroactive to Sept. 4.

Curtis Blevins, alderman of Ward Five and chairman of the special franchise negotiating committee, said this will mean that the city will receive two additional months in phone bill refunds, since the utility, in its earlier meetings, had insisted on repaying phone costs paid by the city since Nov. 4.

The phone bill refunds had been a major issue with members of the council who contended that the old franchise with the phone company had

expired Sept. 4 and that phone bills paid by the city since that time should be refunded under terms of the new franchise.

The new franchise grants to the city free phone service that is increased by 300 per cent in value over services allowed under the old franchise.

The old franchise provided the city with free phone service on 26 lines. Such service has a value of \$17.50 per month. As a result, the city formerly received free phone service valued at \$455 per month.

The new franchise, however, provides free phone service for 102 lines for a total monthly service value of \$1,785, an increase of \$1,330 per month over service provided under the old franchise.

Blevins told the council that in addition to the utility's agreement to the retroactive date for phone bill refunds—money paid by the city for phone bills during the six months that the new franchise has been negotiated—the phone company agreed to permit the city to operate under the utility's Selective Calling System (SCS) in making toll calls.

Phone company officials explained that this will permit (Continued on Page 8)

## New sanitary district appointments rejected

Another attempt to name two more appointees to the Metro-East Sanitary District board of trustees failed Monday night during a meeting of the St. Clair County Board at Belleville.

The board turned down the appointment by Board Chairman Tony Canty of the Rev. James Voelker, a Roman Catholic priest, and Roosevelt Malone, both of East St. Louis. The Metro-East Sanitary District began operation last December under a state law which replaced the former East Side Levee and Sanitary District with the new organization.

The law provided that five trustees of the new district were to be appointed by the chairman of the Madison and St. Clair County Boards, subject to confirmation by the board members.

Madison County Board Chairman Nelson Hagauer appointed Russell Robinson of

Granite City, a member of the former East Side board, and Leonard Hylla of Madison. The appointments were confirmed by the board.

Canty, chairman of the St. Clair County Board, has been able to obtain confirmation of (Continued on Page 8)

## Consumer health topics include nuclear safety

By MARY RICHARDS  
Illinois Department of Public Health

The pros and cons of nuclear power have been much discussed in recent months. Some people claim the existence of nuclear installations represents a threat to public health. Others say it does not.

Illinoisans should be especially interested in the use

of nuclear power, as there are more nuclear installations in Illinois than in any other state. There are currently seven nuclear-powered reactors in the state, generating almost 25 per cent of the state's power. If projected plans are carried through, there will be 15 such installations in Illinois by 1984, generating almost half of the state's power.

(Continued on Page 8)

**THREE-MAN BOARD** of trustees of the Metro-East Sanitary District convenes in special session in its Granite City offices at 1801 Madison Ave. The Sanitary District board, under the law, should have five members, but St. Clair County political entanglements have prevented appointment

of the other two members. From left, Mrs. Helen Christich of Granite City, chief clerk; Leonard A. Hylla, Madison; John C. Erhardt, Washington Park, and Russell Robinson, Granite City, chairman of the board.

"KICKING OFF" Physical Education Week in Granite City. Mayor Paul Schuler kicks a football held by Sandra Bowler, physical education instructor at Wilson School. Physical Education Week started Tuesday and continues through Monday. A "Gym-Jam" to draw attention to physical fitness will be held April 23 at the Nameoki Village and Crossroads Plaza shopping centers. Children from the local elementary schools will be featured in the event, coordinated by elementary physical education teachers.

## Housing starts up in region and state

The Federal Home Loan Bank reports that the number of housing starts in Illinois increased significantly in 1976 from the level of starts experienced in 1975. The number of total starts jumped from 45,239 units in 1975 to 62,626 units in 1976 — a 38 per cent rise.

A sharper increase in housing starts was registered in the market for multi-family housing. Construction of apartments in Illinois increased from 14,566 starts in 1975 to 20,964 in 1976 — a 43 per cent increase.

Construction of single-family units in Illinois increased 36 per cent, from 30,693 starts in 1975 to 41,762 in 1976.

Housing starts for Illinois in the fourth quarter of 1976 also showed a sharp rise. Total units started increased 40 per cent, from 11,976 to 16,733. Single-family starts jumped 31 per cent and multi-family units increased 56 per cent during the fourth quarter.

The Federal Home Loan Bank of Chicago is a reserve credit institution for the 316 savings and loan associations in Illinois and Wisconsin, the Seventh District of the Federal Home Loan Bank System.

It reports that savings and loan associations in Southern Illinois — including Madison and St. Clair Counties — made 51.5 per cent more mortgage loans in 1976 than during 1975.

The 66 Southern Illinois savings and loan made \$302 million worth of mortgage loans in 1976, as against \$199 million in 1975.

Total savings of Southern Illinois associations rose \$13.5 million in December 1976 versus a gain of \$9.6 million in December 1975.

Savings rose \$162.4 million in 1976 against a gain of \$146.9 million a year earlier.

The 402 savings and loan associations in Illinois made \$5,675,900,000 worth of mortgage loans during 1976 — a record year for mortgage lending.

The \$5 billion figure represents a 51 per cent increase over the \$3,763,000,000 in mortgage lending during 1975.

Nationwide, savings and loans had a record \$77 billion in mortgage loans in 1976, up 43.3 per cent from 1975.

## Granite Chapter plans dinners

A chicken and dumpling dinner, which is open to the public, will be held on Sunday, March 6, at the Masonic Temple, sponsored by Granite Chapter 680, Order of the Eastern Star, according to Maxine Compton, worthy matron.

Mrs. Compton also announced plans for the past matron and past patron dinner set for April 2 at the Masonic Temple, and added serving of the Sunday dinner will be from 11 a.m. to 6 p.m.

**UFO PRESENTATION**  
A program "Challenges of the Past," a presentation on unidentified flying objects (UFO) will be presented by Milton Morris of Venice at 7 p.m. Monday in the Venice Public Library. Admission is free.

Introduced during the weekend meeting of the chapter were grand lecturers, grand chapter committee members, and Martin Love, worthy patron of New Hope Chapter.

The worthy matron expressed appreciation to Virginia John, Wendell Gritz and Bill Watkins for serving as pro-tem officers and to LaVerne Larsen, soloist, at the meeting.

Mrs. Mary Bilbey, secretary, reported that Mrs. Dorothy Watkins, associate matron was a guest officer at the Collinsville Chapter, marking advance night there. Refreshments were served in the dining room, after the meeting by Mary Ann DeHart, chairman and her committee, John DeHart, Bonnie Fisher, Jerry Fisher, Vee Thorne, Louise Orr, Peggy Gibbons, Cleveland Cox and Dora Youngs.

## Arthur Menendez receives 1977 Area Council Award

Arthur Menendez, principal of Mitchell School, received the 1977 Area Council Award, in recognition of 17 years of active participation in PTA programs and projects, from Dale Rea, assistant to the superintendent of schools, at the annual awards banquet of the Granite City Area Council of Parent-Teacher Associations.

Mrs. Dorothy Baker, president of the Area Council, welcomed 140 members and guests at the dinner held in the Granite City High School South cafeteria and auditorium. Girl Scout Troop 1126 from Mitchell School under the leadership of Mrs. Carol McNeely and Mrs. Lucy Colbert, presented the colors. Mrs. Baker introduced special guests, Mr. and Mrs. V. J. Brazier of Alton, PTA district director; School Board President and Mrs. Thomas Mlotzky; Superintendent of Schools and Mrs. B. J. Davis, Elmer Jackson, representative

from Madison County Superintendent's office and Mrs. Dale Rea, Mrs. Brazier, former district director, gave the invocation.

Serving as mistress of ceremonies was Mrs. Barbara Haddock, who presented awards to delegates from each of the area schools.

Nameoski School honoree's were Mesdames Fran Kingston, Pat Painter, Linda Fussell, Shirley Berry, Shirley Elbridge, Donna Lane, Joyce Tracey, Judy Joyce, Donna Halbert, Joann Gaumer, Linda Givens, Mr. and Mrs. Vince Rogier, Thomas Skubish and Donald Kopp; Frohardt School, Mrs. William Winter, Mrs. Janet Furman, Mrs. Dolores McAllister; McKinley School, Mrs. Rosalie Buene; Lake School, Pat Withers and Dale Phelps; Stallings School, Mesdames Ruth Jorgenson, Beth Bladdick, Mary Davis, Ann Johnson, Phyllis Meyer, Judy Kopechak and Ken Jones and Ralph

Cravcraft; Emerson School, Mrs. Pat Mitchell and Alvin Wilson; Webster School, James Jeffries; Johnson School, Mrs. Annette Landman, Mrs. Katie Wilson and Mrs. Dot Bailey; Wilson School, Mrs. Dorothy Baker; Parkview School, Mrs. Betty Grace; Mitchell School, Mrs. Viva Elliott and Maryville School, Jack Mulach.

Roses were given to council officers as a special award for their efforts during the year. Recipients included Mrs. Baker, Mrs. Haddock, Mrs. Dorothy Phelps, Mrs. Julie Gates, and Mrs. Pearl Madison. Miss Madison serves as council treasurer and received two roses as the only single officer in the council who became involved in PTA work at Lake School through a friend.

Honors were also accorded to those who completed arrangements for the dinner: Mrs. Karen Hutchings of Mitchell School, general chairman; Mrs. Julie Gates, Maryville School, reservations; Mrs. Haddock, Maryville School, awards; Mrs. Viva Elliott, Mitchell, table decorations; Mrs. Fran Kingston, Nameoski School, table centerpieces and Mrs. Barbara Schwerdtman, Webster School, registration table.

Those receiving centerpieces after the dinner were Mesdames Ula Brazier, Carolyn Menendez, Phyllis Curries and Carolyn Kopp. Prizes were awarded to Mesdames Pat Painter, Mary Lou Hudson; Barbara Schwerdtman, Karen Hutchings, Agnes Fryntzko, Janet Wilson, Judy Kopechak and Janet Wilson.

**First Assembly to host youth program**  
David Allbritton of Dallas, Tex., will be the guest speaker at a series of youth oriented meetings set for each evening beginning Sunday, March 6 through March 11, at the First Assembly of God Church, according to an announcement by the Rev. Dennis Ripley, youth minister at the church.

The theme of the sessions is "Get It Together" and will also feature Christian rock music by Jim Meyer of Cahokia, guitarist and singer, "The Voice" and "Jacobs Well" both from St. Louis.

All programs are open to the public and there is no admission fee, Rev. Ripley added.

DR. WANDA HIESTAND

## Dr. Hiestand earns degree

Wanda C. Hiestand of Piermont, New York, a native of Granite City, was graduated with honors from Teacher's College Columbia University on Jan. 26, with the degree Doctor of Education in Nursing. Dr. Hiestand's dissertation to earn her doctorate was entitled "Midwife to Nurse-Midwife: A History - The Development of Nurse-Midwifery Education in the Continental United States to 1968."

She previously received her Bachelor of Science in Nursing and Master of Education in Nursing from Columbia University in 1967 and 1973 respectively. Dr. Hiestand was graduated from Granite City High School in January 1944, and St. Elizabeth's Hospital School of Nursing in 1946. She is a member of the American Nurses Association, a charter member of Planned Parenthood of Rockland County, and has worked in hospital nursing, public health nursing, and as a school nurse-teacher, and has recently been appointed assistant professor of nursing at Dominican College in Blauvelt, New York.

Dr. Hiestand is the wife of Dr. Dale L. Hiestand, Professor of Business at Columbia University Graduate School of Business, also a graduate of Granite City High School.

They have two children, Gregory, a lawyer in New York City, and Mrs. Susan Levy, of Evanston, Ill., who is employed in restoring antique Persian rugs. Dr. Hiestand is the daughter of Mrs. Stella Kowalewicz and late Kazimierz Kowalewicz of Granite City.

(Continued from Page 1)

center line of said alley and the center line of said alley to the point of beginning."

In creating the new Precinct 32, the ordinance said:

"There is hereby created a new election precinct, being election Precinct No. 32, which shall consist of the following:

"Election Precinct 32 shall include all of that part of the city of Granite City and the town of the city of Granite City, Ill., lying within the following boundaries: Beginning at a point where the center line of Bryan Avenue intersects the center line of West 20th Street; thence in a general northerly direction along the center line of Bryan Avenue to its intersection with the northerly corporate line of the city of Granite City; thence in a general westerly direction along the said corporate line to its intersection with the easterly right of way line of FA Route 151, thence westerly along the said right of way line of FA Route 151 to its intersection with the center line of Rock Road; thence in a general southerly direction along the center line of Rock Road to its intersection with the center line of West 20th Street; thence in a general easterly direction along the center line of West 20th Street to the point of beginning."

Boundaries of the newly-created Precinct 32 are fixed by the ordinance as follows:

"Election Precinct No. 33 shall include all of that part of the city of Granite City and the town of the city of Granite City, Ill., lying within the following boundaries: Commencing at the intersection of the center line of Rock Road with the center line of West 20th Street, thence in a general northerly direction along the center line of Rock Road to its intersection with the prolongation of the center line of the alley between Oak Street and 20th Street; thence in a general westerly direction along the center line of said alley and a prolongation of the center line of said alley to its intersection with the corporate limits of the city of Granite City; thence in a general southerly direction along the corporate limits of the city of Granite City to its intersection with a prolongation of the center line of the alley between Oak Street and 20th Street; thence in an easterly direction along the said prolongation of the center line of said alley and the center line of said alley to its intersection with Poplar Street; thence in a northerly direction along the center line of Poplar Street to its intersection with a prolongation in a westerly direction of the dividing line between Lots 1 and 2 in Block 3 of Lincoln Place Addition; thence in an easterly direction along the said dividing line between said lots and the dividing line between Lots 36, 37 in Block 3 of Lincoln Place Addition, Lots 1 and 2 and 36 and 37 in Block 4 of Lincoln Place Addition, to the intersection of said line with the center line of Maple Street, thence in a general northerly direction along the center line of Maple Street to its intersection with the center line of 20th Street; thence in an easterly direction along the center line of 20th Street to the point of beginning."

## Episcopal bishop to visit Sunday

The Rt. Rev. Albert W. Hillstead, DD, Bishop of the Episcopal Diocese of Springfield, will make a visit in Granite City, Sunday, March 6, at St. Bartholomew's Episcopal Church, 22nd Street and Grand Avenue.

Bishop Hillstead will celebrate the Mass and preach at a joint service between St. Bartholomew's Parish and St. Thomas Mission of Glen Carbon at 10:45 a.m. During the service, the Bishop will administer the Sacrament of Confirmation to a class of four juniors and two adults and will receive one adult from another part of the catholic church.

Following the united service the E.C.W.'s of both congregations will serve a spaghetti luncheon to all who are present.

The Rev. Wilbur L. Lear, rector of the Granite City parish and Vicar of the Glen Carbon congregation said that the public is welcome to attend both the service and the luncheon. He also mentioned that the congregation will be using the new Book of Common Prayer for the first time this Sunday.

## Eta Chapter hosts dinner meeting

Members of Eta Chapter, Phi Tau Omega Sorority, will attend a social dinner meeting held last week at Ozello's Restaurant, St. Louis.

Hostesses for the evening were Mrs. Lorraine Butler, Mrs. Dorothy Brewster, Mrs. Hilma Schroeder and Miss Kathryn Weddell.

After dinner Monte Carlo what was played and prizes won by Lois Hedger, Shirley Morgan, Betty Krug, Millie Greshouse, Alma Paschedag, a guest.

Others attending were Mary Lou Richardson, Mary Hassler, Dorothy Castello, Dolores Sheridan, Eunice Hatcher, Georgiana Van Buskirk and Jo Ervay.

## BRIDAL SHOWER

Miss Tina Wood, daughter of Mr. and Mrs. Delbert Wood of Moorland Drive, was complimented with a pre-wedding shower at the Woods' home prior to marrying Danny Schmidt of Staunton.

Guests were Mesdames Pat Schmidt, Louise Mitchell, Jean Wood, Blanche Siner, Carol Schmidt, Rose Vertikie, Ruth Clements, Sandy Wood, Marg Ann Richardson, Martha Solomon, Lorraine Pavia, Judy Wiser, Virginia Wiser, Pat Reibstock and Janet Wood and Misses Jane Wiser, Brenda Wood, Karen Wood, Kim Schmidt, Debbie Dix, Sue Pavia, Linda Pavia and Gina Wood.

Hostesses for the shower were Grace Wood and Cheryl Wood.

## 130 attend the Pack 96 dinner

Robert Moske and Ted Scrum gave talks on scouting at the annual blue and gold banquet of Cub Scout Pack 96, of Maryville School, last week.

There were 130 members and guests who attended the buffet style dinner and award ceremony.

Cubmaster Dave Hufstutler gave the welcoming address, led the pledge of allegiance and offered the invocation.

The George Washington story was read with everyone participating, followed by a song fest.

The cubmaster presented the following awards: Wolf to Scott Gates; Bear to Mike Held; Darren Berna, Eric Wofford, Charles Wilhelm, Tom Keelin; gold arrow points to Todd Hufstutler, John Shone, Mike Held; silver arrow point to John Shone.

Webelos badges—Tony Beyer and Jeff Grimm, outdoorsman; Tony Beyer, Jeff Grimm, Jerry Harnish, Steve Kinsey, sportsman; Steve Kinsey, athlete; city of Granite City, sportsman; Mat, Kevin, Pattie, Bryan and Chris McCullough, Rhonda, Robin and Mike Painter.

Family members attending were the hosts and grandchild of guest of honor, Mat, Kevin, Pattie, Bryan and Chris McCullough, Rhonda, Robin and Mike Painter.

REINHARDT—Realtor Sells—BETTER LIVING!

The next pack meeting will be on March 21.

## Three honored on first birthday

Nathan Knezevich, son of Mr. and Mrs. Robert (Kathy) Knezevich, Ryan Scott Shelton, a son of Mr. and Mrs. Fred (Barbara) Shelton and Stephanie Kraus, a daughter of Mr. and Mrs. Steve (Sandra) Kraus, celebrated their first birthdays at a party given by their parents, in the Kraus home, 2826 Victory Drive.

The cake was decorated appropriately with two blue balloons and one pink clown. Refreshments were served after each of the honorees opened their gifts.

Guests attending were parents and grandparents, Mr. and Mrs. Reid Martin, Mr. and Mrs. Robert Turner, Mr. and Mrs. Wilbur Shelton and friends Mr. and Mrs. Jeff (Jill) Parker and daughter Nicole.

## DAV COMMANDER IS HONORED AT DINNER

Disabled American Veteran Auxiliary Chapter 33 served a chicken and dumpling dinner during the weekend to honor Bob Kennerly, newly elected commander of Chapter 33.

All food was contributed by members of the auxiliary and hostesses for the event were Lena Kalipe, Lorette Miller, June Scherger, Pat Macke and Wilma Dorsey.

## Mrs. McCullough marks birthday

Mrs. Bertha McCullough of 2672 Edwards St., was honored on her 70th birthday at a party given by her son-in-law and daughter, Mr. and Mrs. Hal Painter Jr., in their home 2324 Stuyvesant Lane, this week.

Co-hosts were the honoree's son and daughter-in-law, Mr. and Mrs. Merl McCullough.

A Valentine theme was used in the table appointments and decorated cake.

During the evening a buffet dinner was served to guests, Mr. and Mrs. Basil Childers, Mr. and Mrs. Paul Hanson, Mr. and Mrs. Grant Johnson, Mr. and Mrs. Mary Bogner, Mr. and Mrs. Joe Wasko, Mr. and Mrs. Bill Neithe, Mrs. Neithe, Johnny Wasko, Mr. and Mrs. Hazel Stewart and Mrs. Ruth Rasche, out of town residents and to local guests, Mrs. Della Hubbs, Mrs. Gus Lockley, Miss Wilma Jones, Jerry Jones, Kim Jones, Dewayne Terry and Rick Hodshire.

Installation ceremonies will be held for the newly elected officers on April 3, it was noted. A pinocle club meeting for members and guests is scheduled at 2 p.m. on March 13, to be followed by a luncheon, the president said.

Mrs. Elsie Rodell gave a

## Mrs. Graf heads Elkettes

The Elkettes Club elected Mrs. Dean Graf of the office of president for the 1977-78 year and agreed to donate \$1,200 to the Elks Lodge to purchase a new refrigerator for the kitchen.

Mrs. Bernice Grzesk reported members named on the sick list include Mrs. Trachel, Mrs. Clara Harbig, Mrs. Ruby Winters and Mrs. Sara Hood.

After the meeting refreshments were served and games directed by Mrs. Pauletta Mueller, Mrs. Mildred Branding and Mrs. Hulda Davis.

Those winning prizes were Bess Weiss, Marion Willtrout, Marcia Buenger, Olga Koenig, Mildred Jungels, Pauletta Mueller, Mrs. Mercer, Evelyn Ferro, Margaret Rush and Helen Todd.

JAMES GUBBERS NAME DAUGHTER TIFFANY Tiffany Dawn is the name selected by Mr. and Mrs. James Gubser, 85 Oaklawn Drive, for their daughter, born on Feb. 24.

The new arrival weighed eight pounds, two ounces and was born at St. Elizabeth Hospital.

Grandparents are Mr. and Mrs. Lawrence Gubser and Mr. and Mrs. Floyd Ridgeway all of Granite City.

Mrs. Elsie Rodell gave a

## Special music at Hope Lutheran

The Jubilate Singers from Hazelwood, Mo., will be featured during the 10:30 a.m. service Sunday, March 6th, at Hope Lutheran Church, 3715 Wabash Ave.

The group appears in churches, retreats and concerts regularly. They recently appeared on Lutheran Radio, KFUV (850 AM), in St. Louis.

The name "Jubilate" means "Be Joyful", the Rev. David Fielding, host pastor announced.

## GRANITE CITY PRESS-RECORD

Thurs., March 3, 1977 Page 5

MICHAEL ANTONOVICH'S NAME 2ND SON NICHOLAS NAME AND Mrs. Michael Antonovich Sr., 2325 Arnold Drive, have selected the name, Nicholas Darren, for their third child, born Feb. 18 at Jewish Hospital, St. Louis.

The new arrival weighed seven pounds, seven ounces. He has a brother, Michael Jr., 12 years, and a sister, Kimberly, 8 years.

The mother will be remembered as the former Miss Carolyn Gall.

### Shower honors Miss Shanta

Miss Deborah Jo Shanta was guest of honor at a wedding shower given this week by her aunt, Mrs. Mary Ann Lay in her home, 2260 Shiloh Drive. Games were played during the event and prizes awarded to the winners.

After the honoree opened her gifts refreshments were served to the honoree's sisters, Jan and Sue Shanta and mother, Mrs. Pat Shanta and guests, Mesdames Marge Wendel and Rita, Doris Sontheimer, Darlene Wendel, Beverly Campbell and Shawna, Debbie Crittensen, Marti Poertner, Judy Simon, Jean Kelahan, Rose Flaherty, Jean Knox, Miss Ruth Waters and Miss Pam Britton.

Miss Shanta will be married to Tom Sontheimer of St. Louis, Friday at the Religious Center of Southern Illinois University at Edwardsville.

### Church Women United's World Day of Prayer

Church Women United in the Quad-City Area will hold its World Day of Prayer Friday morning at Mount Nebo Missionary Baptist Church, 800 Jefferson St., Madison.

All women are invited to attend the program, which starts with registration and a coffee hour at 9:15 a.m. The service will commence at 10 o'clock.

A slide presentation, "Love in Action," detailing many programs supported by International Missions will be part of tomorrow's program. Music will be provided by a choir, consisting of local Church Women United members.

Baby-sitting service will be available during the service. The 1977 World Day of Prayer service will translate "Love into Action" through grants made by local groups. The funds will be allocated by International Missions to many programs on all continents.

The most widely observed ecumenical celebration sponsored by Church Women United, the World Day of Prayer movement started 90 years ago. It draws together Protestant, Roman Catholic and Orthodox women "in a spirit of unity, through prayer, fellowship, study and cooperative action in 2,000 local communities in every state across the nation," Mrs. Ron Pennell, CWU president said.

**NEW RELATIONS -**  
The United States and Syria June 16, 1974, announced the renewal of diplomatic relations between the two nations.

PVT. CATHERINE RAMSEY  
New Assignment

### Catherine Ramsey going to Germany

Army Private Catherine D. Ramsey, a 1974 graduate of Granite City High School North, is completing a six-week vehicular driving course at Ft. Dix, N.J., in preparation of joining a military motor pool in Germany.

After finishing the course at Fort Dix on Monday, March 7, she will receive a 30-day leave and is planning to visit Mr. and Mrs. Gary Gates of Granite City and other relatives and friends here.

Pvt. Ramsey, 20, is the daughter of Mrs. Joan Ramsey of Phoenix, Ariz., formerly of Granite City.

She enlisted in the military service Nov. 19 and was graduated from basic training at Fort McClelland, Ala., on Jan. 22.

Pvt. Ramsey will travel to Germany sometime in April to begin a two-year assignment there.

CHAPLAIN R. J. BROWN

### Prison chaplain church speaker

Prison Chaplain Robert J. Brown will speak at Concordia Lutheran Church, 23rd Street and Grand Avenue Sunday.

Chaplain Brown of Menard Psychiatric Center and the Chester Mental Health Center, will speak on "The Power to Love the Unloved."

Before the 10:15 a.m. worship service, the chaplain also will make an informal presentation to the adult bible class at 9 a.m.

Chaplain Brown has been assigned by the Southern Illinois District of the Lutheran Church - Missouri Synod to serve the two Chester institutions. He said that he will be sharing how ministry takes place in the impossible situations that prisons and psychiatric centers present. There is power in the Gospel that overcomes any environment.

Previous to his Chester assignment Chaplain Brown served at Grace Lutheran Church, Key West, Fla., and has served in the Lutheran Church as a Lutheran school teacher, special education counselor and in retardation programs.

"We are proud to have Chaplain Brown in our pulpit this Sunday as our Spring Mission Festival speaker," the Rev. Arvin Twietmeyer, pastor of Concordia Church, said. "Our community is invited to hear about some of the people for whose incarceration their tax money is being spent."

### Bethel Church plans banquet

"Working Together" is the theme of the annual banquet of the Bethel A.M.E. Church, to be held from 6 to 9 p.m. on Saturday, March 18, at the Venice Recreation Center, 305 Broadway, Venice, according to Mrs. Idella Collins, chairman.

John Belcoff will be the guest speaker and the Rev. Walter Walters II is host pastor, the chairman added.

Tickets costing \$5 are available by contacting Mrs. Collins at 977-4885 or Mrs. Ola Jones at 451-4897, it was noted.

## Advanced course in lifesaving

An advanced lifesaving course will be offered at the Tri-City Area YMCA on Monday and Wednesday evenings, beginning March 7, at 7:30.

The course will provide training certification necessary for employment as summer lifeguards.

Those interested in participating in the course are required to register at the YMCA prior to 5 p.m. March 7.

Participants must be 15 years of age and have advanced swimming skills.

The course will provide training in swimming style, lifesaving technique, rescue, CPR (cardio-pulmonary resuscitation) and lifeguarding techniques.

The course will continue for six weeks. For additional information and registration, those interested may call 876-7200.

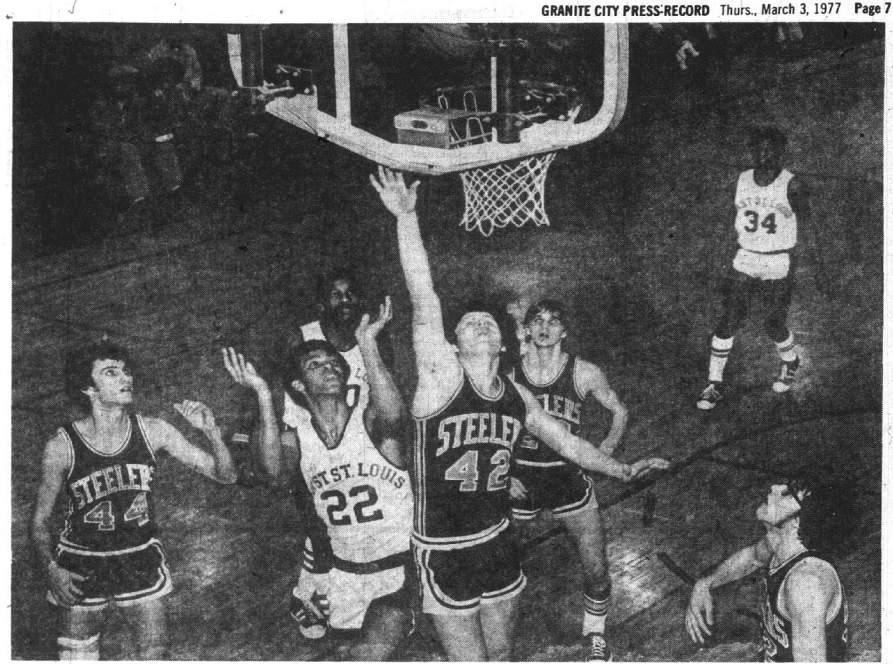

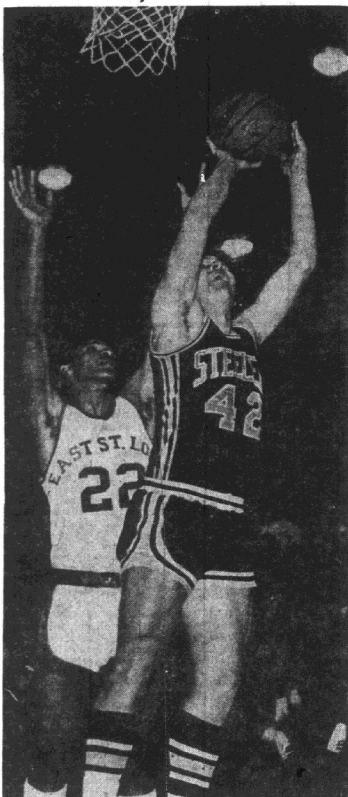

## Whelan is commended by city

A resolution adopted Tuesday night at a regular City Council meeting in Granite City places the mayor and council members on record as expressing their congratulations and commendation for Chris Whelan, Granite City High School North 1977 state high school wrestling champion.

Whelan was praised for "the honor he has brought to his school and to the City of Granite City in his recent success in winning the Illinois state wrestling championship title in his weight classification at Champaign, Ill., on Feb. 26, 1977."

EXTRA DEFENSIVE EFFORT is displayed by Rodney Wortham (42) of the North High Steelers as he nearly deflects this shot by David Winslow (22) of the visiting Flyers. Wortham led the Steeler squad in rebounds with

six. Other players are, from left, Jerry Barnett (44) of North, Alan Warfield, behind Wortham, and Brian Smith of North, lower right corner, plus Jimmy Heavens (34) of East St. Louis.

## Flyers end Steelers' '77 basketball season

GCHS North's Steelers bowed out of Class AA regional cage competition here Tuesday night, suffering a 75-42 loss to top-seeded East St. Louis Senior High.

The Steelers meshed the first and last baskets of the contest but in between Coach William "Bill" Ohlendorf's squad could not keep pace. The Flyers led 18-9, 35-26 and 51-34 at the quarters.

Ending with a 9-16 won-lost record for 1976-77, North made

only 18 field goals in 59 attempts, and East St. Louis meshed 34 of 53. The Flyers tallied one more charity toss than North, 7-6.

North committed the most fouls, 14-12, but made the fewest turnovers, 13-15. East St. Louis controlled the boards, 33-20.

The Steelers stayed with the Flyers for the first three minutes of the contest, opening with a basket by Rodney Wortham and then deadlocking the game 4-4 on a field goal by Wortham before the Flyers pulled away for an eight-point lead on four straight baskets.

Wortham, hitting from under the basket, netted seven points in the first period. Jerry Barnett was held scoreless from his outside shooting position.

The inside-outside combination began to click in the second quarter, with Barnett providing eight points and Wortham four, but East St. Louis' Willie Rogers netted five for five from the floor.

North's defense forced eight ployer turnovers in the second quarter, but the Steelers were able to muster only seven baskets in 19 attempts while East St. Louis sparked with eight of nine.

The Steelers were down 33-19

with 2:47 to go before halftime, until a charity toss by ball-handler Gary Paul, two baskets by Barnett and a goal by Brian Smith narrowed the margin.

The Flyers came out shooting in the second half, garnering as many field goals in the last two quarters as the Steelers made in the entire game, including three straight goals at the start of the third period by David Winslow for a 13-point lead from which the Steelers failed to recover.

North hit on three of 14 field goal attempts in the third period and four of 14 in the last quarter.

East St. Louis outscored the Steelers 24-8 in the final eight minutes of play, including taking advantage of 11 rebound recoveries to score 12 points in the last three minutes.

Four Flyers provided double-figure scoring: Demarco Martin and Rogers 16 each, Winslow 14 and Ray Coleman, 12.

Scoring for North High were Wortham 17 points, Barnett 12, Paul seven and Smith, Alan Warfield and Rick Willard, two each.

EXPERT APPRAISING MORRIS REALTY CO. 876-4400

## North to host girls' basketball regional

Gilbert Walmsley, principal, announced today that GCHS North will host the first Illinois High School Association girls' regional basketball tournament in this region on March 14, 15 and 17 at the Memorial Gymnasium, 3101 Madison Ave., Granite City.

On the second night, Tuesday, March 15, the winner of the first game (East St. Louis or the Roxana sub-regional winner) will play Edwardsville at 7, followed by the winner of Game No. 2 (North or Cahokia) against Granite High South.

The championship game will be played Thursday, March 17, at 7:30 p.m.

Applications of persons interested in being umpires for the summer baseball and softball programs of the Granite City Park District are now being taken.

Those persons interested in baseball umpiring must be at least 16 years of age and pass a general baseball quiz given by the park district.

Applicants for the softball umpiring program must pass the National Federation of the Amateur Softball Association test and be at least 16 years old.

Persons interested must apply in person at the park office.

A meeting of all those accepted is scheduled for Thursday evening, March 24, at 7 p.m. in the Nameless Recreation Center, Franklin Avenue and Pontoon Road.

### Girls' basketball

MONDAY, Feb. 28  
GCHS South (junior varsity) 32, Edwardsville 25 (Susan Bell 13 points)

TUESDAY, March 1  
GCHS North (junior varsity) 49, Roxana 34 (Leslie McIntyre 11 points)

TODAY, March 3  
Belleville East at GCHS South 6:30 p.m.  
GCHS North at Wood River 6 p.m.

NORTH BALL-HANDLER Alan Warfield (20), center, sets up a Steeler scoring play during second-half action here Tuesday night. The North quintet clashed with East St. Louis in the first game of the Class AA

regional tournament. Other players from the left are Ray Coleman (30) of East St. Louis, Brian Smith (52) of the Steelers and Willie Rogers (50) of East St. Louis.

Funeral arrangements are given in the obituary column.

## Retroactive

(Continued from Page 1)

the city to charge toll calls on a reduced rate to the allowance made for free phone service, up to the limit permitted by the franchise terms.

The council voted on a motion by Blevins to approve the proposed new franchise agreement as a result of the new retroactive date and the addition of the SCS to apply to the city. A franchise agreement will be brought before the council for approval later.

On a question by a council member, Blevins explained that the franchise will be for a five year period, with provisions for reopening discussions of franchise terms thereafter.

The utility's allowance of free service for 102 phone lines will remain in effect for the first five years. The number then may be increased during subsequent five-year periods by one additional phone line for each 250 telephones in use in excess of 25,500 phones.

Other terms of the agreement provide for maintenance and operation responsibilities, for erection of new poles or excavations for cables and for legal responsibilities in the event of damages.

## New sanitary

(Continued from Page 1)

only one appointment, that John Gerhardt of Washington Park, who now serves on the board of trustees as the only St. Clair County member.

Since St. Clair County is entitled to three memberships on the sanitary district board, it still may name two members.

Canty made four other attempts to appoint two board members prior to the effort Monday night to fill the membership of the sanitary district board.

Canty's efforts to appoint the members have been blocked by a feud with Francis Touchette, a board member of Centerville Township in St. Clair County.

Meanwhile, the Metro-East Sanitary District is operating with three members who constitute a quorum.

Canty declined to consider a motion by Touchette that action on the appointments be tabled, but he did agree to meet with board members of East St. Louis and Centerville Township to talk about the appointment and selection of nominees who would meet approval by both sides.

Canty's nomination of Rev. Voelker was defeated by a vote of 9 yes and 16 no. Voelker's appointment was defeated by 6 yes and 20 no.

It was the fifth time the board

## Union

(Continued from Page 1)

scheduled at 8 p.m. Thursday, April 7, at the Tri-City Area YMCA.

Union members wishing to attend all the remaining classes or individual sessions, may register by calling the AFL-CIO Community Services office, at 877-6780, Miller advised.

George Amisch, chairman of the Tri-City Trade and Labor Council's Community Services office, will be in charge of the graduation banquet.

Amisch pointed out the instruction booklets to be used in the union counseling course were donated by Chester L. Baker, president and manager of Tri-City Printing Co.

In addition to the graduation dinner, two other special activities are being arranged for course participants during the six-week program, Miller said.

A St. Patrick's Day "happy hour" is planned following the March 17 evening session, and an open forum and luncheon at the Grand Cafe will take place March 24. The forum will be the conclusion of a morning class.

Union counselors and representatives of United Way agencies, general township offices and public housing authorities will be part of the open forum program.

Class dates, speakers and subjects are listed in sequence as follows:

Today, March 3 (7 p.m. to 9:30) — Welcome by Miller and the YMCAs.

Thursday, March 3 (7 p.m. to 9:30) — Welcome by Miller and the YMCAs.

## Consumer

(Continued from Page 1)

The first nuclear installation in Illinois, at Dresden, began operation in 1960. Since then, other installations have been activated at Moline-Rock Island and Zion.

In the years since the first began operating, these installations have compiled a remarkable safety record.

Illinois has been killed as a result of any incident in a nuclear installation.

In order to assure the continuation of this safety record, more than a year ago the Illinois Department of Public Health increased its staff of nuclear engineers and added other radiologic experts to conduct an ongoing surveillance of nuclear installations and their surrounding environment.

Air monitors, installed in the vicinity of each installation, give these scientists a continuous report of radioactive particulates in the air.

If the reports would show higher than normal radioactivity, immediate action would be taken to determine the cause. If necessary, the nuclear plant would be asked to shut down.

Samples from rivers, lakes, streams, private and public water supplies located near nuclear installations are regularly analyzed.

Any high reading will trigger immediate action.

The same is true of milk samples from dairy herds and vegetation growing in the vicinity of nuclear installations.

The power plants themselves are inspected regularly to assure that all equipment is in good condition, that safety back-up systems are in working order, and that all safety precautions are being observed.

The establishment of this nuclear safety program is just one of the ways in which the state health department keeps pace with the changing health needs of the people of Illinois.

No one could have envisioned this need when the department was organized 100 years ago.

At that time, poor sanitation and disease epidemics were the primary public health problems of the day. They were, therefore, the primary concerns of the newly organized State Board of Health, as it was called then.

During its first century, the state health department has expanded and redirected its areas of concern as the public health needs of the state have changed.

The nuclear safety program is just one of the more than 100 programs in which the Illinois Department of Public Health now serves citizens' health needs.

The department's 1,100 employees are dedicated to its goal . . . "not just prolonging life, but making it better."

For more information about nuclear safety, they may contact the Illinois Department of Public Health, Office of Consumer Health Protection, 535 W. Jefferson, Springfield, Ill. 62761.

## Hospital

(Continued from Page 1)

sewer easement in lieu of that tract.

Enactment of the four ordinances was approved on each by 13 "yes" votes by 14 council members.

The bond ordinance was enacted under the city's "home rule" provisions established in the 1970 Illinois Constitution which grants full governmental powers to cities of more than 25,000 population.

The ordinance said that the City Council "hereby . . . (does) find that it is necessary and in the interests of the public health and the welfare of the residents of Granite City to use the powers granted to the city by said section of the 1970 Constitution to authorize the issuance of bonds by the city so that the city may assist not-for-profit hospitals open to the public in building, maintaining and operating hospitals and health care facilities for the benefit of the residents of the city."

Enactment of that ordinance clears the way for the city to issue bonds at a later date to aid in financing procedures for the hospital project.

No specific amount of bonds was specified in the enabling ordinance, but the city is to provide "in a future 'bond ordinance' subject to approval by a majority of council members."

The enabling bill said that "the issuance of hospital facility revenue bonds to finance in whole or in part the cost of acquisition, purchase, construction, reconstruction, renovation, equipment, betterment or extension of any hospital or health care facility in order to provide improved health care for the residents of the city is for a public purpose and is a function pertaining to the government and the affairs of the city."

The bill provides further that the hospital, following issuance of revenue bonds, "shall pay, for, on or behalf of the city, an amount sufficient to pay principal, interest, redemption premiums and all other costs in connection with the city's revenue bonds so that such bonds will never constitute an indebtedness of the city, or a loan of its credit within the meaning of any constitutional or statutory provision."

The enabling ordinance also sets out details as insurance, hospital facility maintenance, appointment of paying agents and bond registrars, establishment of a fund for the payment of bonds, methods of bond issuance, required endorsement by city officials and other technical details pertinent to the bond issue.

Project costs which may be assumed with bond funds also include, "Legal, marketing or other special services, financing, acquisition, demolition, construction, equipment and site development of new and rehabilitated buildings, rehabilitation, reconstruction, repair or remodeling of existing buildings and all other necessary and incidental expenses including a reasonable initial bond and interest reserve, together with interest on bonds issued to finance a project to a date six months subsequent to the estimated date of completion," the ordinance said.

In a related matter Tuesday night, the council received from the Illinois Environmental Protection Agency a notice that an application by the hospital for a permit to construct and operate combined sewer connections that will serve additions to the hospital have been rejected.

The notice, signed by William H. Busch, manager of the Permit Section of the Division of Water Pollution Control, noted, however, that the rejection was based on a lack of information in the original permit application, and that new applications will be considered by the EPA.

Monroe Brewer, city engineer, told the council that the permit problem involved only a matter of revising the hospital applications, and that arrangements have been made to eliminate any EPA objections.

STEAR ROTOTILLER  
A 200 rototiller was stolen from the back yard at the home of Leona Spangenberg, 2334 Winters Drive, it was discovered at 1:30 p.m. Tuesday. A chain wrapped around the unit was removed without breaking the chain or opening the lock.

## City delays purchase of ambulances

A plan to purchase four ambulances to establish a city-operated emergency ambulance service in Granite City was delayed by council members Tuesday night.

Instead of approving the purchase, the council authorized the traffic committee, headed by Alderman Sam Whitmer of the Second Ward, to study bids and make the ambulance purchases as soon as a grant application is approved by the Illinois Department of Transportation.

The city's application for a \$56,000 grant to help finance the cost of four ambulances at approximately \$60,000 has been approved by the Illinois Department of Public Health. The grant also must be given final approval by DOT.

Officials have been told that the DOT is expected to approve the funds, but has not yet done so officially. The city can take no action toward purchase of the ambulances until DOT action is taken.

The city plans to begin emergency ambulance service in Granite City on March 16, the day following withdrawal of most ambulance emergency service now provided by Thomas Ambulance Service.

Mayor Paul Schuler said that in the event of much further delay in obtaining final approval of the city's grant application, it will be possible to obtain use of ambulances on loan until purchase details can be worked out.

The city plans to operate three ambulances, one out of the Nameoki fire station and two out of downtown locations, and to keep a fourth unit in reserve for major disasters or for replacement purposes.

In related actions, council members approved the hiring of three city firemen who will work on the ambulance service. They are Timothy Connolly, 2542 E. 24th St.; Terry Suhre, 3817 Village Lane, and James Pyke, 2211 Hodges Ave.

Seventeen other workers provided by the Madison County Manpower program are now in training as emergency medical technicians.

The council also authorized City Clerk Robert Stevens to advertise for bids to furnish four radios for the ambulances. The aldermen also authorized the acquisition of four Opticon units for ambulance use. The Opticon units turn traffic signals from red to green upon the approach of an emergency vehicle.

## Traffic signals in planning for SA 35-Hwy. 162

Improvements and the installation of traffic signal lights at the intersection of Route 162, State Aid Route 35 and Mockingbird Lane, are being designed by the Illinois state highway department and bids for the project will be sought early this summer, the Highway and Traffic Committee of the Tri-Cities Area Chamber of Commerce has informed the Nameoki Town Board of Auditors.

Richard Kerch, chairman of that committee, said he has

learned through publications from the state highway department that an improved intersection is envisioned with the south end of Mockingbird Lane being redirected to meet directly at the intersection, eliminating the "dog leg" and forming a normal four-way intersection.

Kersch suggested Nameoki Township renew its efforts to have the railroad install crossing lights and gates at the Mockingbird Lane railroad crossing north of Route 162, since Mockingbird Lane traffic is likely to be increased by the improved intersection. The intersection has been the scene of several fatal accidents.

Grant funds are available to match the railroad funds and the Chamber of Commerce will cooperate in every way in helping the township get the crossing warnings, Kersch assured the auditors.

The town board referred the matter to Nameoki Township Highway Commissioner Albert Bell.

## ADM

(Continued From Page 1)

force-fed sewer and into a gravity sewer. The sewer and lift station were then deeded free to Granite City.

The lift station frequently has clogged and the force-fed sewer has ejected the water and waste into the lift station, flooding portions of several yards.

The Illinois Environmental Protection Agency cited the city, new owners of the sewer line and lift station, for various possible violations of pollution standards because the lift station discharges onto the rear yards. This caused the city to threaten to halt sewer service to ADM unless the lift station was replaced.

Mayor Paul Schuler and other city officials met with ADM officials Feb. 22 and 24 and reached an agreement in which the city will pay for the cost of engineering and designing a new lift station and ADM will pay for its construction and installation.

If any assessments are needed, the city will negotiate for those assessments. It also will be the responsibility of the city to provide three-phase power service to operate the new lift station.

Sverdrup and Parcel, a consulting engineering firm in St. Louis, was hired to do the engineering work. City Engineer Monroe F. Brewer noted at Tuesday night's council session.

Brewer also said he has notified the EPA that the city hopes to have the new lift station in operation by May 1 and that the new system should alleviate the problems which have been experienced in that area nearly two years.

## Ambulance service is continuing

A spokesman for the Thomas Ambulance Service stressed yesterday that it will continue ambulance service.

Emergency ambulance calls will be handled through mid-night Tuesday night, March 15. The Thomas firm then will offer other forms of ambulance service starting on Wednesday, March 16.

## Art classes to start at YMCA

The Tri-City Area YMCA will feature art classes for beginning level adults and older youth, starting Monday, March 7.

Students may select from a Monday evening class of oil painting, or a Tuesday evening class of drawing.

Both classes will be conducted between 7 and 9 p.m. and continue for six weeks.

Instructor Sharon Bogosian of Granite City will conduct these classes. A recent graduate of Southern Illinois University and a local teacher, Miss Bogosian offers expertise and experience in conducting quality sessions, a YMCA officer said.

Interested students may contact the YMCA prior to class time on Monday or Tuesday to complete registration and obtain a list of art materials needed for the class.

Additional information may be obtained and registrations accepted by calling 876-7260.

## Last chance to adopt unwanted APA pets

Unless two cats and a dog are adopted Saturday, the Association for Protection of Animals (APA) will be forced to have the pets put to sleep, Mrs. Carol Willoughby, an APA officer said today.

Anyone willing to adopt one of the three may visit the humane group's shelter at the Granite City Army installation, between the hours of 10 a.m. and 4 p.m. Saturday.

If prospective owners are unable to visit the shelter during Saturday's time period, they may call 831-9654, 876-6388 or 877-1590.

The APA must vacate its shelter facility immediately, if the animals are not adopted by

Thursday, March 10, they must be put to sleep, Mrs. Willoughby stressed.

The dog is a part-sheepdog female, about 11 months old, mostly black and fairly large. She will make a wonderful pet for older children, but needs a fenced yard, the APA officer said.

Both cats available for adoption are female.

Rags, a cream-colored calico, is litterbox trained; friendly, but jealous of other cats. The second cat is white with calico markings, 2 years old, timid, but lovable, she said.

Plans are being made by the non-profit humane association

GRANITE CITY PRESS-RECORD  
to construct a new shelter to house unwanted pets.

The APA, a volunteer organization, has issued a public appeal for donations of any amount to help finance the new shelter facility.

Contributions may be sent to: APA, Box 1311, Granite City, Ill. 62040.

# Trojans defeat Lebanon 72-70, play Livingston Friday night

All Class A basketball roads lead to the Assembly Hall in Champaign, and Madison High School's basketball Trojans are only one game away from the 1977 "sweet sixteen" super-sectional round. The Trojans topped previously undefeated Lebanon last night 72-70 in sectional semifinal play at Vandalia.

Coach Larry Graham's Madison squad now with a 24-3 record, will clash at Vandalia tomorrow night with Livingston in the 7:30 sectional championship game, the victor advancing into super-sectional competition Tuesday, March 8, against the Bridgeport (Red Hill) sectional titlist at Charleston.

The 2,800 fans who jammed into Vandalia's gymnasium last night will be talking about the Madison-Lebanon contest for a long time.

Lebanon's Greyhounds, ranked first statewide with a 27-0 record, had defeated the Trojans 73-72 in the 1975-76 season Vandalia sectional and 60-59 here this season.

The two teams played to a 17-17 first-quarter deadlock and Lebanon led 37-35 at halftime last night. Madison inched ahead 53-52 by the end of the third quarter and outscored the Greyhounds 19-18 in the final period.

With 50 seconds showing on the clock, and Madison on top 60-57, Lebanon's Richard Norman tied the contest with a three-point play on a field goal and a charity toss after drawing a foul.

Trojan James Heard, a sophomore, later drew a foul and stepped to the free throw line for a one-and-one, sinking both tosses to put Madison ahead 72-70 with four seconds left.

Greyhound Harvey Thomas took the inbound pass, releasing a long shot toward the basket

which whished through the net for an apparent tied contest, which would have necessitated an overtime period.

Officials of the contest ruled the basket no good, saying the game-ending buzzer had sounded before it was released from the player's hands.

Some Lebanon fans sat stunned in their seats for nearly 15 minutes while Madison followers swarmed onto the court to celebrate the victory.

Lebanon made 30 field goals in 77 attempts and Madison 28 of 61. The Trojans led at the free throw line, 16-10. Lebanon committed the most fouls, 19-18.

Madison lost the most turnovers, 20-11, and each team got 35 rebounds.

Rodney Brooks paced the Greyhounds with 22 points and Madison's Norman scored 19.

Pointmakers for Madison were Heard with 20, Randall Jones 17, Rodney Davis 13, Lloyd Williams 10, Clayton Harris six and Ron Williams and Anthony King, three each.

Livingston, with a 24-4 record, advanced by defeating Vandalia 66-63 Tuesday night.

## Golfers wanted

Golfers interested in joining a golf league, sponsored by Jacobsmeier's, are being asked to call Bob Palus at 876-8888 or Bill Corrigall at 876-8382.

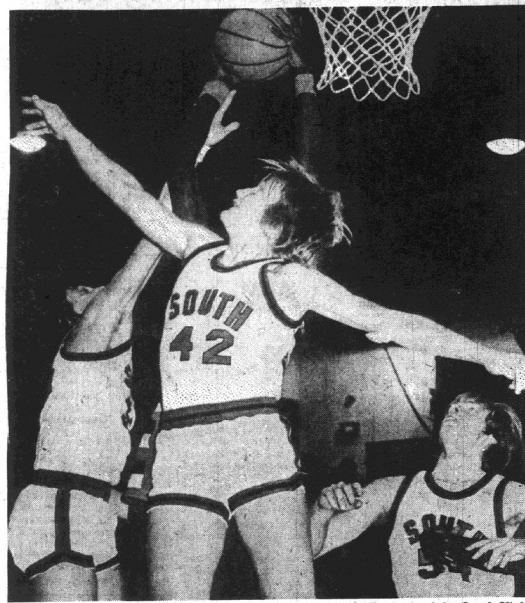

Palus said matches will be held on the Arlington golf course.

Organizers of the league want to begin as soon as enough golfers have called to express an interest.

# Lincoln beats Warriors 72-56

Two East St. Louis high schools dominated this week's Class AA regional tournament in the Granite City Memorial Gymnasium, resulting in the Lincoln High School Tigers meeting the East St. Louis Senior High Flyers at 7:30 p.m. tomorrow in the championship tilt.

The Flyers defeated GCHS North on Tuesday, and last night Lincoln's Tigers met stiff resistance from GCHS South's Warriors for three quarters of play before Lincoln prevailed 72-56.

The Tigers led 15-9, 28-21 and 47-39 before outscoring South 27-17 in the fourth period. Lincoln made 29 field goals in 61 attempts, and South only 22 of 71. The Tigers sank 15 of 29 charity tosses and South a sizzling 12 of 15.

The Warriors committed the most fouls, 29-12, but had the fewest turnovers, 14-19. The Tigers controlled the boards, 40-

30. A small crowd watched the game proceed at almost a leisurely pace, interrupted occasionally by a scoring spurt. One such occasion took place with Lincoln ahead by 28-13 and 1:50 left before halftime.

Warrior Terry Angle intercepted a Tiger pass and rushed downcourt for a two-point shot which seemed to inject fire into the South squad.

South's Greg Feigl took a rebound on a missed Tiger scoring attempt, and sent the ball sailing the length of the court to teammate John Slay, who was under the basket.

Slay was fouled immediately and sank two charity tosses. Roland Hurt was fouled while forcing a Lincoln turnover, and his two tosses made the score 28-19.

Another forced turnover gave the Warriors possession with four seconds remaining, and Tom Hennrich provided the

halftime score with a field goal. South narrowed Lincoln's margin to three points three different times in the third quarter — 32-33, 30-27 and 34-31.

Lincoln accelerated the pace of the contest early in the final period, with fast-breaking scoring efforts and passes to Bobby Coleman, a 6-5 junior, who provided five of his team's eight fourth-quarter field goals and added a charity toss.

The Warriors committed

eight fouls that quarter, Lincoln sinking nine of 15 free throws, including five charity tosses by Roger Gully.

South mustered six baskets in 18 tries and made five free throws in the quarter.

Coleman paced the Tigers with 22 points and Gully tallied 19.

For the Warriors, Slay scored 17 points, Angle 13, Feigl 12, Hennrich eight and Hurt, six. Slay recovered 13 rebounds.

## Ice tournament to be decided

The six participating teams of the Madison-St. Clair Counties Junior Ice Hockey League will conclude their 1976-77 activities at the Wilson Park ice rink this weekend with final contests of a post-season tournament. The championship game at 10 p.m. Saturday is between Granite City's Bruins and the Alton Flames.

Two consolation contests are set for tomorrow night between Collinsville and Wood River at 10:30, and Metro and O'Fallon at 11:30.

The two consolation contest winners will meet at 11:30 p.m. Saturday for that bracket's top honors.

Coach Tom Thompson's Alton Flames are seeking a second straight upset.

After beating Collinsville 10-2 last week in the tourney's opening round, the Flames stopped the new season champion, O'Fallon, 5-3.

Granite City drew a first-round bye as the tourney's second-seeded team last weekend, and then edged Wood River 3-2.

"We'll have to play outstanding hockey to beat the Bruins," predicts Thompson.

Coach Gary Mainer and his squad possess perhaps the finest passing and skating skills in the area.

Granite City holds an edge over the Flames this season, having defeated Alton 2-1 and 5-3. The two also played to a 1-1 deadlock.

## Park volleyball

TODAY, March 3

## SIUE women cagers, 8-9, in tournament

Women cagers of SIUE during the weekend defeated the Golden Eagles of Northeastern Illinois University 64-36. The Cougar women, who also were to have met Chicago State, returned here without playing because of the snow and ice. The victory over Northeastern upped the SIUE team's regular season record to 8-9.

Playing her finest game of the year, junior Sharon Frey of Edwardsville poured in 20 points for SIUE. Sophomore Daisy Rice followed with 14, and

sophomore Jane O'Laughlin tallied 10. The Cougars, leading at the half by 13, increased their lead easily in the second half.

"Northeastern just wasn't hitting," noted Cougar Coach George Lorraine Stark. "We capitalized on their mistakes."

Also assisting the Cougar scoring effort were Kathy Goings with eight and Laura "Jo Jo" Brooks with six. Cherry Sharp added four points and JoAnn Wiensroter two. Leading the Golden Eagles was Vicki Avers with 12.

The women Cougars have set their sights on the IAAW state basketball tournament at Northern Illinois University at DeKalb. Last year, they surprised tournament spectators by taking the consolation bracket and fifth place at state.

Last year's winner, Illinois State University, is seeded first,

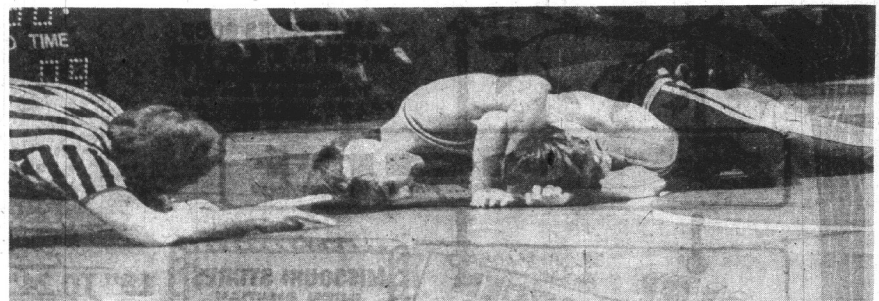

followed by SIU at Carbondale. The third seed is the University of Illinois, and fourth is Northwestern.

The Cougars will face the Leathernecks of Western Illinois University in the first round of play this afternoon. This season, SIUE has won one and lost one to Western.

If the Cougars get past Western, they'll play SIUC tonight at 9. If the SIUE women lose to the Leathernecks, they will advance to the consolation division.

Finals will be played Saturday. The first-place game is slated at 1:30 p.m. The third-place game will begin at 11 a.m., and consolation bracket finalists will play at 9 a.m. Saturday.

UNDERCOATING—RALPH'S TEXACO 22ND & MADISON AVE.

**GAINING POINTS.** Granite City High School North's 112-pound wrestler Keith Whelan, on top, controls Todd Griffith of Rock Island during the state wrestling tournament while the referee signals points being accumulated. Whelan won this bout 11-1.

## Youth employment to be emphasized

Secretary of Labor Ray Marshall has called proposals for dealing with severe and chronic unemployment among youths "among the most important aspects" of the new administration's economic recovery package.

In testimony during his first appearance before the Joint Economic Committee of Congress since becoming secretary of Labor, Marshall said: "The administration's proposals represent a first step along the road of what we can do to improve the situation of our younger workers."

Marshall said progress in meeting the employment problems of young people in the 16-to-24-year age group has been "negligible," noting that the latest figures indicate more than 3.2 million jobseekers in this age group.

He said the unemployment rate for teenagers is presently 18.7 per cent—compared to 19.4 per cent a year ago. For blacks and other minorities, it is 12.5 per cent, compared with 13.2 per cent a year ago. For minority youth, however, the rate is presently

36.1 per cent, compared with 35.0 a year ago, Marshall said. For veterans, aged 20 to 24, the unemployment rate is 16.8 per cent (compared with 18.3 per cent a year ago).

Marshall told the committee, "The continuing waste of human and economic resources represented by these figures requires immediate action."

"The nation's young workers represent our future. Their attitudes and work-force attachment are given shape and direction early in their working lives."

"Yet, a substantial proportion of the young population continues to be plagued by persistent unemployment which may have long-term adverse consequences."

Marshall pointed out the Carter administration in its package proposes that youth-oriented programs under the Comprehensive Employment and Training Act (CETA) increase by 154,000 training opportunities by the end of the October 1977-September 1978 fiscal year, with doubling of the present 22,000 job Corps openings.

The secretary stressed the need to concentrate on developing marketable job skills, improve linkages with private industry, and seek a more active role for the private sector in developing training programs.

"There will be an increased emphasis," Marshall said, "on a broad range of job training efforts — apprenticeship, on-the-job training and institutional education."

### VEHICLE STICKERS

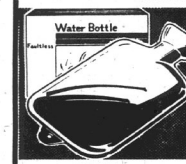

Madison City Comptroller Al Hudak has announced he will keep his office open at 1529 Third St., Madison, from 8 a.m. until 1 p.m. on two Saturdays, March 5 and 12 to issue city vehicle stickers. The tags are free until Tuesday, March 15, after which there will be a \$5 charge. Stickers now are available during the week between 8:30 a.m. and 4 p.m.

## 16 divorces, 2 annulments are granted

Sixteen Quad-City area couples have obtained divorces, and two annulments have been granted in Madison County Circuit Court. Granted divorces were:

William L. Schertz from Elizabeth Schertz, both of Granite City. They were married Dec. 22, 1966. Mental cruelty was charged. Custody of three children was granted to the mother.

## Burglary, truck thefts all fail

Attempts to steal two pickup trucks and to break into the sales office at Bill's Auto Sales, Pontoon and Namekoi Roads, were unsuccessful, it was discovered at 9:05 a.m. Tuesday.

Glass in both north windows to the sales office was broken, but it was not believed entry was gained. The right door vent windows of two pickup trucks on the lot were broken to gain entry to the cabs and the ignition wires were torn from the dashboards, but neither truck was moved.

## Booster shots set Tuesday

St. Elizabeth Hospital will hold a swine flu booster immunization clinic Tuesday for chronically ill persons, ages 3 through 24, who had their first swine flu shots during December or January.

The booster shots will be administered from 3 to 7 p.m. Tuesday in the Wiesman Room of the hospital.

**RENDELMAN TRIBUTE ON RADIO TOMORROW**  
"The First 10 Years," a tribute to John S. Rendleman, chancellor beginning in 1968 and president of Southern Illinois University at Edwardsville from 1971 until his death on March 4, 1976, will be rebroadcast by WSIE-FM (80.7) tomorrow, March 4, at 1 p.m. The 60-minute radio documentary features audio comments taken from personal interviews and excerpts from major speeches made by Rendleman.

William L. Oellermann, director of news and public affairs at WSIE-FM, wrote and produced the program.

## LOCAL STUDENTS ON DEPAUW DEAN'S LIST

Jayne Knobbe of Granite City, a junior at DePaul University, Greencastle, Ind., has earned academic distinction on the dean's list. The scholastic recognition is extended to those students who earn at least a 3.5 (A-) or better grade average out of a possible 4.0 (straight A) average.

During the first semester, 441 of DePaul's undergraduates—19.8 per cent of the student body—won dean's list distinction. Announcement of the scholastic honors was made by Dr. Robert H. Farber, dean of the private liberal arts college. Miss Knobbe is the daughter of Mr. and Mrs. Edward Knobbe, 2 Frontenac.

UNDERCOATING—RALPH'S TEXACO  
22ND & MADISON AVE.

the father.  
Norma Marie Johnston of Granite City from Edward Olin Johnston of Madison. They were married July 19, 1976, and separated Dec. 12, 1976. Mental cruelty was charged. Custody of one child from the couple's prior marriage was granted to the mother.

Patricia Ruth (Cooper) Robbers from James Mark Robbers, both of Granite City. They were married Aug. 4, 1973. Mental cruelty was charged. Her former name was restored. Ronald L. Selph from Debra S. Selph, both of Granite City. They separated in February 1977. Mental cruelty was charged. Custody of one child was granted to the father.

Pauline Elliott from Gerald Henry Elliott, both of Granite City. They were married Sept. 1, 1945 and separated Aug. 6, 1969. Mental cruelty was charged. Custody of one child was granted to the mother.

Katherine Mary Slone from Tommie Carlton Slone, both of Granite City. They were married May 23, 1973, and separated March 28, 1976. Mental cruelty was charged. Eva Ethel Unis from Eugene Markus Unis, both of Granite City. They were married Feb. 28, 1975, and separated in December 1975. Mental cruelty was charged. Custody of one child was granted to the mother.

Jill Travia (Darnall) Stelmacher from Granite City from Michael Richard Stelmacher of Belleville. They were married April 12, 1975, and separated Dec. 25, 1976. Mental cruelty was charged. Her former name was restored.

Sharon Lee (Nash) Ottinger from Burl J. Ottinger, both of Granite City. They were married Nov. 7, 1976, and separated Dec. 20, 1976. Mental cruelty was charged. Her former name was restored.

Mae Ethel Petty of Venice from Edward Lee Petty of St. Louis. They were married Dec. 4, 1964, and separated in January 1970. Mental cruelty was charged. Custody of two children was granted to the mother.

Gail Clair (Green) Carroll from Robert L. Carroll, both of Granite City. They were married Sept. 17, 1976, and separated Jan. 19, 1977. Mental cruelty was charged. Her former name was restored.

Lynn D. Burch from James H. Burch, both of Granite City. They were married Aug. 22, 1964, and separated Feb. 12, 1977. Mental cruelty was charged. Custody of two children was granted to the mother.

James E. Bradford and Jaqueline I. (Nishke) Bradford, both of Granite City. They were married April 20, 1976. Her former name was restored. Donald L. Bunk and Gwen-dolyn J. (Morgan) Bunk, both of Granite City. They were married Oct. 23, 1976. Her former name was restored.

Mrs. Olive M. (Allen) Szatkowski, 72, of 1627 Third St., Madison, Ill. for two years, died at 3:01 a.m. Wednesday at St. Elizabeth Hospital.

She was born in Hallowton, Mo., and resided in the Quad-Cities 30 years.

Survivors include her husband, Leo Szatkowski; three daughters, Mrs. Viola Marie

Hannah and Mrs. Geraldine Dean, both of Nevada, Mo., and Mrs. Bonnie Noble of Seattle, Wash.; three sons, Melvin Harris of Wichita, Kan., Forest Harris of Fort Angeles, Wash., and Warren P. Harris of Maybank, Tex.; 20 grandchildren and 25 great-grandchildren.

Funeral arrangements are given in the obituary column.

## Soybean supply tight but controls opposed

Marketplace prices — not says Dale E. Butz, executive director of the Illinois Farm Bureau commodities division. A tight supply of soybeans, coupled with continued strong

demand from both importing countries and domestic crushers, has led to improved prices for soybeans and soybean meal, Butz said. Use of soybeans so far this year has been running ahead of a year ago.

"Since total supplies are lower, crushings or exports, or both, must be cut back during the next seven months in this marketing year. There are

certain minimum pipeline supplies below which the supply cannot go. But higher prices will ration supplies most effectively," he said. No talk of embargoes has cropped up yet, Butz emphasizes, and it is possible that none will. But the coming-together of certain developments during the crop season could "build the fires" for embargoes in 1977, he adds.

"Continued heavy use of soybeans and meal, concern about dry weather's effect on the 1977 crop, and a run-up of prices this summer could raise the threat of pressures for export controls."

President Carter said during the 1976 Presidential campaign he would not impose embargoes unless a national emergency existed. But the experience of previous administrations

illustrates that consumers and some segments of the livestock industry can overreact to a tight bean situation and pressure the government toward controls. "It is important that public officials, congressmen and the general public review and understand the lessons learned from past embargoes."

"In the case of the 1973 embargo on soybeans and soy meal, prices were beginning to ration supplies when the embargo was imposed."

"A three per cent increase in

livestock feeding has led to increased domestic demand for soybean meal, resulting in higher prices. Livestock feeders will react to higher prices at some point, switching away from soy meal to other feed alternatives," Butz said.

"Early indications point to 53.1 million acres of soybeans this season up nearly six per cent from 1976. This is somewhat lower than what many market analysts had expected before these prospective planting indications were released."

"But one of the big questions in the soybean market centers around how many additional acres — if any — farmers will switch from corn to soybeans by planting time."

One economist believes more soybeans will be planted this spring. The U. S. soybean acreage could increase as much as 11 per cent, while the corn acreage could drop three per cent, according to Robert Wisner, Iowa State University extension economist.

Good soybean crops in Brazil and Argentina could mean that the U. S. soybean market may be near its top, Wisner added.

Southern Hemisphere soybeans are harvested in the spring. Of the two nations, Brazil is by far the biggest soybean producer, expected to produce 400 million bushels of beans this spring. About 80 per cent of its crop will be available for export.

"The outlook for soybeans is not altogether clear," Butz concludes. "Increased soybean acreage and good rainfall this season could take some of the steam out of soybean prices."

"On the other side of the coin, less than expected acres and drought-reduced production could result in increased upward pressure on the market. If this happens, price increases will effectively ration available supplies, if allowed to do so."

## Alderman warns against driving past rail gates

A warning that Granite City motorists should discontinue the practice of driving around lowered gates at railroad crossings was sounded by Fifth Ward Alderman Curtis Blevins during the regular City Council meeting Tuesday night.

Blevins told the council that he has seen "more and more motorists" attempting to beat approaching trains by going around the gates.

"This practice continues, we are going to have some fatalities," Blevins said. "I have seen this more and more in recent weeks and I think it is a dangerous practice. One of these days a driver is going to be tailgating another and he won't get across the tracks fast enough."

# GRANITE CITY PRESS-RECORD Thurs., March 3, 1977 Page 16 Attends health record meeting

Marie Jackson, RRA, director, Medical Records Department, St. Elizabeth Hospital, has participated in an institute on privacy and confidentiality conducted by the American Medical Record Association, in cooperation with the American Hospital Association and sponsored by the Tennessee Medical Record Association at Nashville, Tenn. The three-day institute was attended by medical record administrators and technicians from 15 states. Topics discussed included legal aspects of health record management and privacy, the Privacy Act of 1974, confidentiality and citizen rights. While hospitals have always been concerned with maintaining confidentiality of patient records, recent federal legislation spotlights the potential abuse of record surveillance by over-zealous investigators. It was asserted. The institute furthered the AMRA philosophy in continuing education. "Systematic learning experiences designed to enlarge the knowledge and skills of registered medical record administrators and accredited record technicians."

MARIE JACKSON

## Smaller SIUE raises —less for construction

The Illinois Board of Higher Education on Tuesday approved a plan for allocation of Gov. James R. Thompson's proposed state budget which would mean a cut of nearly 10 per cent from the amount requested by the university for operating funds in the July 1977-June 1978 fiscal year.

The allocation plan was recommended by the IBHE staff after the governor announced Feb. 1 that he would propose \$44,500,000 less for higher education in Illinois than had been recommended by the IBHE in January.

The plan approved Tuesday allocates \$33,167,700 in operating funds for SIUE, compared with \$33,958,100 originally recommended by the IBHE and \$36,833,800 requested by the university. SIUE's projected operating expenditures for 1976-77 are \$31,050,000. The only capital projects left in the 1977-78 budget recommendations for SIUE are \$168,100 in re-appropriations for remodeling of the Broadway Hotel in East St. Louis for use by the university's East St. Louis Center and \$167,000 in new appropriations for the School of Dental Medicine for a satellite dental clinic in East St. Louis.

According to the IBHE, the allocation plan will provide salary increases of five per cent, with an additional two per cent for civil service range and student employees, instead of seven per cent for faculty and nine per cent for low-salaried nonacademic employees as proposed by the IBHE originally.

Utility cost increases are set at 10 per cent in the allocation plan instead of 12 1/2 per cent as originally recommended; price increases are listed at four per cent instead of five per cent. The salary plan allocation is contingent on a tuition increase, with two and one-half per cent of the salary increase to be derived from tuition revenue and other local funds.

Also, \$89,000 for miscellaneous items, most of which will be necessary under funding requirements brought about by changes in the refund policy and by the tuition increase effect on refunds. For SIUE at Carbondale, the allocation plan proposes \$74,510,200 in operating funds, compared with \$76,515,100 originally recommended by the IBHE and \$85,245,300 requested by the university. The current budget at SIUE is \$69,892,000. The allocation plan includes \$764,200 for the SIUE System Office, compared with an original IBHE recommendation of \$775,800 and the System Office request of \$817,500. The current budget for the System Office is \$725,000.

The allocation plan for the State Universities Retirement System cuts the IBHE recommendation for the SIU System from \$6,309,300 to \$4,789,100. Projected expenditures for this fiscal year are \$4,078,800.

## Spring classes starting at 'Y'

The Tri-City Area YMCA will start its spring classes Monday. Sessions will run monthly except for some dance classes and other special classes. Included in the schedule are classes such as judo, wrestling, tennis, gymnastics, fitness and a variety of swim instruction. Some special classes include dog obedience (beginner and advanced), a magic class, art classes and drawing courses as well as scuba and mask, snorkel and fin.

Dance classes to be offered include social dance, (fox trot, waltz and other ballroom dances), modern dance (disco dancing), basic country and western square dance and tap dance and ballet.

Schedules are available at the "Y" or by calling 876-7200.

MR. MRS. GARY WILLIS BECOME PARENTS OF SON

Mr. and Mrs. Gary Willis of Arlington, Tex., are announcing the birth of their first child, a son, born Wednesday at Memorial Hospital in Arlington. The infant has been named Shane Erin. He weighed seven pounds, six and one-half ounces.

The son of Granite City Police Sergeant and Mrs. Leo Willis, the father is a detective with the Arlington Police Department. Mrs. Willis is the former Miss Nancy Benson of Irving, Tex. The maternal grandparents, Mr. and Mrs. Lewis Benson, reside in Irving.

## Military Airlift command change

Secretary of Defense Harold Brown said during the weekend the President has nominated General Paul K. Carlton, U.S. Air Force, to be placed on the retired list in his current grade, effective April 1. No successor was named.

General Carlton is commander in chief of the Military Airlift Command with headquarters at Scott Air Force Base near Belleville. He also serves as executive director of

the single manager operating agency for airlift service, Department of the Air Force. As MAC commander in chief, Gen. Carlton is responsible for operation of a global strategic and tactical airlift system — plus air rescue, air weather and aeromedical evacuation, and combat documentation and audio visual systems. The command has 95,000 active duty personnel at more than 350 locations in 36 countries.

His career spans over 35 years and began when he entered the Army Air Corps aviation cadet program in September 1941. During World War II, he served first as an instructor pilot and later accumulated 350 combat flying hours, including 2-28 bomber missions with the first group operating against the Japanese mainland from India and China. A command pilot with more than 12,000 flying hours, Gen. Carlton has flown a wide variety of aircraft, including MAC's C-5 Galaxy and C-141 Starlifter and the SAC SR-71 strategic reconnaissance aircraft, which flies at Mach 3 plus (more than three times the speed of sound).

Gen. Carlton served as aide-de-camp to the Strategic Air Command's commander in chief, Gen. Curtis E. LeMay, for four years, and has held Wing, Air Division and Numbered Air Force command positions during his career. He became commander of the Military Airlift Command in September 1972 and was named MAC commander in chief on Feb. 1, 1977, when the command was designated a specified command. Under Carlton's leadership, the Military Airlift Command took part in a number of airlift operations, including the American airlift to Israel, Operation Homecoming, and the massive airlift evacuation of Vietnamese refugees.

MAC people also participated in humanitarian relief operations arising from natural disasters around the world, such as the earthquakes in Guatemala and Turkey, floods in India and the Philippines, and numerous hurricanes and typhoons. His military decorations and awards include the Distinguished Service Medal, Silver Star, Legion of Merit with an oak leaf cluster, Distinguished Flying Cross, Air Medal with five oak leaf clusters, Army Commendation Medal and the Purple Heart, in addition to many service medals and other awards. Gen. Carlton was born April 14, 1921, at Manchester, N.H., and graduated from Academy

High School, Erie, Pa. He attended the University of Pittsburgh, Ohio University and George Washington University and is a graduate of the National War College. He is married to the former Helen Sweet of Albany, Ga. They have two children, Major Paul K. Carlton Jr., a surgeon at Wilford Hall USAF Medical Center, Lackland Air Force Base, Tex., and Mrs. Peter (Dorothy) Slevett of Chicago. Gen. Carlton is the son of Mrs. Mabel K. Carlton of Erie, Pa., and the late R. W. Carlton.

## Granite City Press-Record Thurs., March 3, 1977 Page 17

### Venice township budget \$225,721

A new Venice Township budget of \$225,721 for the 1977-78 fiscal year has been posted for public inspection at the township office, 1502 Fifth St., Madison.

The new budget is an increase of \$15,129 above last year's appropriation of \$210,592.

Christ Paschoff, township supervisor, said a public hearing on the township budget will be held at 7:30 p.m.

Tuesday, March 28, at the town offices, and that the board will act on the budget at a meeting at 2 p.m. April 12 at the Venice City Hall.

The township also has posted the new 1977-78 road district budget which totals \$33,000, up \$5,000 from last year's appropriation of \$28,000.

A public hearing on that budget will be held Tuesday, March 28, at 7 p.m. at the township office, with Town Board action scheduled at 1:45 p.m. April 12 at the Venice City Hall.

Major expenditures in the town budget total \$109,321 in administration costs, which include \$88,084 in salaries. A public hearing on that budget will be held Tuesday, March 28, at 7 p.m. at the township office, with Town Board action scheduled at 1:45 p.m. April 12 at the Venice City Hall.

Other town fund items include \$11,500 for hospitalization insurance for employees, \$2,300 for utilities, \$3,200 for travel expenses, \$3,900 for legal services, \$1,000 for auditing, \$4,000 for official bonding, \$2,000 for convention expenses, \$2,000 for office supplies and postage and \$2,000 for interest on tax anticipation warrants.

Election costs are projected at \$900, and an additional \$1,000 is budgeted for contingencies. The new general assistance budget of \$84,550 appropriates \$14,900 in salaries for persons other than elected officials, unchanged from last year, \$11,000 for medical care, also the same as last year, and \$2,500 for utility payments for clients, unchanged from last year.

A fund of \$4,500 is budgeted for rental payments, and \$36,000 is appropriated for food payments for clients. Other items include \$9,000 for medical care in private hospitals and \$1,300 for medical care in convalescent homes. Another \$10,600 is budgeted for institutional care and \$1,000 is budgeted for contingencies.

A separate budget item is set up for Illinois Municipal Retirement payments for employees. The \$29,950 budgeted for this item is up slightly from last year's \$28,000.

The road district budget of \$33,000 provides \$4,500 for machinery rental, \$10,000 for material and \$500 in social security payments for a total of \$15,500 for road maintenance. Cost of outfitting roads is budgeted at \$11,200, including \$3,000 for labor salaries, \$7,000 for road oil, \$1,200 for operation of machinery and \$95 for social security payments. Administration costs total \$4,435.

**"WE DEFEND THE LOWLY POTATO!"**

In studying, we found that there are more than 15,000 different strains of potatoes. French fries were invented or conceived in France during the days of Ben Franklin. Potatoes are not for connoisseurs as people think; for instance, a baked potato has the same number of calories as an apple and less than a pear.

Potatoes have less calories than rice and more food value.

**WORD OF LIFE TABERNACLE**

12th and Meridian

Granite City, Ill.

62040

Henry Crippen, Pastor

Whenever anyone has advice to give me I like to consider the source. Words are hardly worthwhile without experience. Jesus had the knowledge of God. He could do everything. He meant that he trusted whatever God did it would be right.

He had the experience to back up his statement. In all of life's trials Job was in the hand of God. "Though God slay me yet will I trust Him!"

How great the testimonies of the people of God if we only trusted in Him.

He can do everything. Can he do it for you? Today.

Rev. J. P. Jordan  
hospital patient

## Downtown, other issues cited

## Debate likely

AUDIO-TV SHOWROOM—C.B. - AUTOSOUND

1910 DELMAR Phone 877-7600

The Rev. J. P. Jordan, the retired pastor of St. Joseph Catholic church, is a patient in Room 432 of St. Elizabeth Hospital, while undergoing treatment and tests.

He came to St. Joseph in 1932 and served there until eight years ago when he retired. Rev. Jordan also served two terms of office on the Granite City Public Library board during the early 40's.

Rev. Jordan would like to hear from his friends and may have limited visits with area residents, according to a member of St. Joseph congregation.

Dan Partney, a Granite City mayor candidate, said at a political rally this week at the YMCA that he holds the present administration responsible for downtown revitalization problems.

Leon Scroggins served as master of ceremonies, and a campaign aide estimated attendance at 225.

Partney, a member of the Madison County Board, utilized his opponent's campaign brochure to discuss various issues, countering each point with his views.

"The problems are many and I plan aggressive approaches and solutions. I will work 16 hours a day," Partney told the gathering.

Richard Allen, running for supervisor, said that his opponent if elected could not complete the term due to rulings against simultaneous county-township offices. He opposed dual elective service.

Mrs. Norma Mendoza, running for city clerk, called the municipality "unresponsive to serious citizens." She said that as clerk she would "question all payments, and defer payments that are questionable."

Candidates for aldermen who appeared included:

Ward Two — Fred P. Schuman Jr. said Granite City murders have "made people live in fear." He pledged to expand city communication with young people and other citizens.

Ward Three — Walter Padgett said, "We are paying more and getting less. Let's elect officials who are enthused. Let's meet problems head-on."

Ward Four — Leo Wolford said, "Areas are rundown, with no curbs, gutters or sidewalks and poor drainage. There are complaints about dirty alleys, streets, trash, garbage and dogs on the loose. Complaints go no farther than the inspection department."

Ward Five — Lloyd Bailey asserted that his opponent is "not doing the job that should be done." Bailey cited experience as a precinct committeeman.

Two-year term in Ward Five — Mrs. Margaret Noss said she was told women aren't wanted on the City Council. She said she could have been appointed to replace her late husband if she had switched political allegiance.

Ward Six — Woodrow Mead said officials have "lost touch with the electorate." He asserted that residents were not informed about some aspects of the current Maryville Road project.

Ward Seven — Thomas Boker said the city is in unresound financial condition. "Money should be spent on one large project to get results, not on many small projects. Crime prevention needs more emphasis, and we need a better zoning program to protect the people who own property and their values."

Prospects for a debate between Granite City mayor candidates appear to have brightened, although whether audiences questions would be direct or written out is in dispute.

In addition, joint appearances by the two candidates are being scheduled before the Granite City Democratic Club and several other organizations.

In a letter yesterday to Alderman Clyde Boyd, Dan Partney, opponent of Mayor Paul Schuler, said, "I have received your letter dated Feb. 28. You state that Mr. Schuler is available to discuss issues before the citizens of Granite City on March 11, 18, 25 and April 1. All of those dates are agreeable with me."

"If I encounter any conflict, I will cancel, whatever, since I consider this matter important to the voters on April 1. I hereby challenge Paul Schuler to meet with me on each of those dates."

You state that he is available on those dates and I must assume you speak with full authority. Paul Schuler seems to be unable to speak for himself.

You will recall that I had previously obtained four locations on four dates. I assume you will proceed to secure sites for these dates.

"Sacred Heart Church, a location I had selected for this Friday, March 4, prefers that both candidates appear. Father Hill has graciously advised that any of the dates you suggest are agreeable for an appearance at the church. Please confirm a date."

It seems appropriate that these forums be conducted throughout our city to give the voters adequate opportunity to attend. If you encounter any difficulty with locations, please be advised that I will be glad to meet Mr. Schuler on the steps of City Hall at any time."

Partney agreed with four of 12 names earlier listed by Boyd for consideration as a moderator. One of the four has since moved to a distant state.

Partney continued, "Clergy will be designated by myself for the invocation."

"A more realistic time schedule seems to be 20 minutes to open, 15 minutes to close, with a program to cover 7:30 p.m. to 9:30 p.m."

"I do not feel that it is necessary that written questions from the audience be submitted. If a citizen raises his hand, is recognized and has a proper question, it should be asked."

"One candidate should commence the program and the other should conclude. Any reasonable cost will be shared."

"I now respectfully suggest that this matter proceed as rapidly as possible. Mr. Schuler may contact me by phone at 877-8077, my campaign headquarters, between 12 noon and 6 p.m. to clarify any details. I will return any call shortly."

"I will appear at the two locations previously designated: March 14, Lincoln Place Community Center, 7:30 p.m.; March 21, Namecki Recreation Center, 7:30 p.m."

"I understand that Paul Schuler has pressing city business on these dates. If his city business should clear, he may feel free to appear at those times and places."

Thomas Fields, 212 Abbott St., Venice, was hired by the Venice City Council Tuesday night as manager of McKinley toll bridge.

Fields, who has been serving as office manager at the bridge, replaces Duane Georgeff who resigned to accept another position in southern Illinois.

Fields, 28, is the son of Mrs. Paul Fields of Venice. He graduated from Venice High School in 1967 and received a bachelor's degree in government at SIUE. Fields then earned a master's degree in Public Administration at Kent State in Ohio.

Fields worked as an administrative assistant to Mayor William Ebersold from October 1974 until June 1976, when he became the city manager at the bridge, replacing Donald Phillips who retired.

The council approved Fields' promotion by a unanimous vote, however the aldermen voted 7-2 in favor of Grotterman. Third Ward Alderman John Ervin cast the only no vote, but did not comment on his reason.

Fields thanked the council for his promotion and said that he would meet regularly with the aldermen and the bridge committee on policies and procedures.

A set of new policies governing various operations of the bridge are being written and when approved by the committee will be posted in the bridge office for the information and compliance of bridge personnel. The policies cover such items as sick leave, vacation time, toll collector check-in and out procedures, and general personnel matters.

**WELCH TO ADDRESS GATEWAY CHAPTER**

The Gateway East Chapter of Phi Delta Kappa will hold a breakfast meeting Saturday at 9 a.m. at the Round Table Restaurant, Route 167, Collinsville. Chairperson is Katie Wright, Department of Special Education, East St. Louis Area Joint Agreement.

The program will feature Edward Welch, attorney, who will speak on "A view of Schools as Attorney and Parent." He attended Washington University in St. Louis and Marquette University in Milwaukee and presently has law offices in Edwardsville and East St. Louis. He is adjunct professor, Southern Illinois University at Carbondale, School of Law; general counsel, National Alliance of Postal and Federal Employees; and deputy corporation counsel for the City of East St. Louis.

Nelson Hagnauer, incumbent supervisor, now receives a salary of \$7,200 and \$100 monthly in expenses, while Von Dee Cruse, now town assessor, receives \$15,000 annually and \$100 monthly in expenses.

The salary for the supervisor will be effective May 1, beginning of the new term, but

Increases in the salaries of Granite City municipal and township officials were established by ordinance in meetings Tuesday night of the Town Board and the City Council. Granite City aldermen make up both the council and the town board.

In a Town Board session, the aldermen approved new salaries of \$8,400 per year and an expense account of \$100 monthly for the township supervisor, and a new salary of \$20,475 for the city clerk and city treasurer, up from the present \$19,500 annually.

In addition, the council established an expense account of \$600 per year for the clerk and treasurer, allowances which neither officer has had before.

The mayor also receives \$1,000 annually as liquor control commissioner, an \$1,800 per year expense allowance and \$2,800 annually in car expense.

This total of \$4,900 will bring the mayor's total income to \$23,400.

"The salary increases for city officials represent a 36.3 per cent increase which was based on the total of percentage increases granted city employees over the past four years."

The salaries in elected offices will be changed only at the beginning of a new term of office.

## Fields new bridge manager at Venice

The council also appointed Richard Grotterman, 25, of 1009 Third St., Venice, as the office manager, filling the slot left open by Fields' promotion.

Grotterman is a graduate of Venice High School and holds an associate's degree in law enforcement. He also is a Registered Emergency Technician (EMT) and was employed as St. Elizabeth hospital.

The council approved Fields' promotion by a unanimous vote, however the aldermen voted 7-2 in favor of Grotterman. Third Ward Alderman John Ervin cast the only no vote, but did not comment on his reason.

Fields thanked the council for his promotion and said that he would meet regularly with the aldermen and the bridge committee on policies and procedures.

A set of new policies governing various operations of the bridge are being written and when approved by the committee will be posted in the bridge office for the information and compliance of bridge personnel. The policies cover such items as sick leave, vacation time, toll collector check-in and out procedures, and general personnel matters.

INSPECTING EQUIPMENT in the St. Elizabeth School cafeteria are members of the Cahokia Mound Council, Order of the Arrow, Scouting's honor camping society, who are preparing for their annual pancake and sausage breakfast Sunday, March 20, from 7 a.m. until 1 p.m. Standing from left, J. Richard Hooks, lodge adviser; Mike Yencho and Reginald Mennerick, kneeling to check out the mixer is Lyle Tempel Jr., chairman of the event.

## Workshop for singles Saturday

A "Singles-Adult Workshop" will take place at 10 a.m. Saturday at Grace Baptist Church, 2600 Edwards St.

All single adults are invited to attend. A registration fee of \$5, payable at the door, will cover the cost of a luncheon, catered by Ravennell's Restaurant, and participation in two of the four workshops; a "Let's Talk It Over" session; and a musical worship experience under the direction of Robert Patton.

## Marlin Rogers dies at 69

Marlin H. Rogers, 69, of 2260 Iowa St., a retired employee of Granite City Steel, died at 3:15 a.m. Wednesday at the Colonial Haven Nursing Home. He had been ill five years.

Born in Jonesboro, Tenn., he resided here 50 years.

Mr. Rogers was employed at the North Plant of the local steel company, for 46 years.

Mr. Rogers was a member of the First Assembly of God Church and belonged to Steelworkers Union, Local 30. Survivors include his wife, Mrs. Leora (Allen) Rogers; three daughters, Mrs. Owen (Marlene) Ross of Granite City, Mrs. David (Carol) Boyd of Waukegan, Ill., and Mrs. William (Betty) Phegley of Bismarck, Mo.; one brother, Dana Rogers of Stewardson, Ill., and 12 grandchildren.

Funeral arrangements are given in the obituary column.

## Man sentenced for shoplifting here

Bennie Crosby, 30, St. Louis, was sentenced Tuesday to serve 30 days in the Madison County Jail at Edwardsville and to pay a \$225 fine after he pleaded guilty to shoplifting Monday afternoon at Trattler's in Nameoki Village Shopping Center and at Schermer's Men's Store in Crossroads Plaza Shopping Center.

Calvin Green, 28, St. Louis, who allegedly was with Crosby when arrested, pleaded innocent to two charges of theft and waived jury trial. Associate Judge A. A. Matosian set his bond at a total of \$6,000.

Officials of Schermer's said two men entered about 3 to 3:30 p.m. Monday and looked around the store, leaving without purchasing anything, but acting in a suspicious manner.

Trattler's officials said two men entered between 3:30 and 3:45 p.m. Monday and tried on some suits in the dressing room. One man then placed a pair of denim jeans on the counter and said he would have to go to his car to get some money. Both men left. Empty hangers were found in the dressing room.

They got into a green auto with Missouri license plates and left the scene. The Trattler's officials gave police a description of the auto and police saw the car and allegedly chased it to 24th Street and Madison Avenue where it was stopped.

## School attendance tops 91% during January

Final attendance figures for January presented to the Granite City Board of Education Tuesday night showed that, despite severe weather, attendance at both high schools averaged more than 96.5 per cent and the district's total attendance average 91.28 per cent.

"We feel this is a great achievement in conditions of weather such as we saw in January, and everyone involved should be congratulated, including the students and their parents," B. J. Davis, superintendent of the Granite City schools, noted.

Parkview School had the highest percentage in attendance among the elementary and junior high schools with 93.7 per cent of its students attending classes, on an average day.

"This kind of attendance campaign in support of a 'political honesty ordinance' for local level government officials," Davis concluded.

upholds our contention that we should try to open the schools whenever possible. There are many school districts in the state which would be glad to have these attendance figures during the best months of the year," Davis concluded.

## Propose requiring financial information

The Coalition for Political Honesty has begun a statewide campaign in support of a "political honesty ordinance" for local level government officials.

"This spring, Illinois voters will elect thousands of village, township and other municipal officials," said Patrick Quinn, Coalition spokesman and a former aide to former Governor Daniel Walker.

ment," he said, calling the proposed wording "strong but not harsh." It includes the following provisions:  
—An elected or appointed official could not have a direct or indirect financial interest in a company receiving funds from the local government in which he serves.  
—Officials would file annual statements with local clerks detailing their financial interests; and  
—No official could receive compensation as an elected or appointed official of any other unit of government in Illinois.  
"In recent years, some communities have seen officials commit serious violations of their public trust, and yet few localities have done anything to prevent such abuses from recurring," in Quinn's opinion.  
"The ordinance provides clear and specific rules of conduct. While some individuals might have to make personal adjustments, the atmosphere of open government which the ordinance would foster is worth the sacrifice."  
"The Coalition will ask all candidates that it can reach including aldermanic and mayoral candidates in Chicago for their endorsement."  
"We're asking voters and candidates to send us the name and addresses of local slates, so that we can prepare and distribute a comprehensive survey of support for and opposition to our proposals."  
The ordinance is part of the Coalition's spring agenda which also includes support for a package of "political honesty bills" introduced in the General Assembly by Rep. Michael Holowski (Chicago).  
The bills include prohibitions against second jobs, conflict of interest voting and "lobbyist abuse."

## 'Peter Pan' at South Saturday

The Masquers will present James Barrie's original fantasy play, "Peter Pan," at the Granite City High School South auditorium on Saturday, March 5 at 1:30 p.m., and again Saturday and Sunday, March 12 and 13, at Webster Junior High School in Collinsville. The admission price for all is 50 cents.

"Peter Pan" is the classic account of a family which follows Peter Pan and the invisible fairy, Tinker Bell, into Neverland. Neverland is where children never grow old and where Captain Hook and his pirates are outwitted by Peter Pan.

Beth Sobolewski, who attends Grigsby Junior High School, plays Wendy, the girl who falls in love with Peter Pan during their adventures. She appeared last year in the Masquers production of "Tom Sawyer."

### LUCCO'S SCHOLARS ON U. OF I. DEAN'S LIST

John E. Corbally, president of the University of Illinois, has announced that two area scholars are again on the dean's list at the university - Thomas A. Beck, Edwardsville, of the College of Engineering, and Brent Weiss, 2864 Lynch Ave., Granite City, College of Liberal Arts and Sciences. Both are nominees for General Assembly scholarships of Rep. Joe E. Lucco of Edwardsville.

### PESTICIDE CERTIFICATION

Approximately 400 farmers participated in pesticide certification programs held in Madison County in the last year. There will be another certification meeting next fall or winter. Those not wishing to attend a meeting can visit the Madison County Agricultural Extension office, 900 Hillsboro, Edwardsville, and request the 100-question examination. The exams are sent to the Illinois Department of Agriculture for grading.

and has appeared on stage in leading roles at school. Her mother, Shirley, plays Nana, a trained dog who treats children as her own pups.

Neil French, a freshman at Granite City High School South, plays John Darling, another child who flies to Neverland. He has been active in a long span of shows, including "Bye, Bye, Birdie," "Alice in Wonderland," "Fiddler on the Roof," "Hello, Dolly" and "Tom Sawyer."

Neil French's brother, Philip, plays Nibs, a lost boy of Neverland.

Their father, Jack French, who is currently president of Masquers, plays Mr. Darling, a father who has lost his children to the "scurdrel," Peter Pan. In the title role of Peter Pan is Joanne Joria of Edwardsville. Currently working on her master's degree at SIUE, she appeared as Laura in "The Glass Menagerie" last season. She most recently was stage manager for "Little Mary Sunshine."

Captain Hook is being played by Charles Norris of Belleville, who has both directed and acted in Masquers productions for many years. The pirate, Smee, is played by Jay Frey of Collinsville, whose roles are numerous with Masquers.

Directing "Peter Pan" is Betty Datt of Belleville, a past president of Masquers.

Mrs. Datt has chosen Mark Stephens of Granite City for her assistant. He first appeared in "Fiddler on the Roof" and since has acted as Sid in "Tom Sawyer" and George Read in "1776." He was chosen "Masquer of the year" for the 1975-76 season.

Other cast members from Granite City are Sally Sobolewski, Ed Hesselndenz and Suzanne Norris.

The Masquers said they hope that parents whose children haven't seen a children's show will bring them to "enjoy the magic and thrills of a live stage presentation."

PETER PAN cast members rehearse for their presentation Saturday at the GCHS South auditorium. Left to right are: lower row, Kurt Minton, Stefan Wiltz, Kenneth Pugh, Philip French, Frank Pugh (partly

hidden) and Tim Quain. Middle row, Bernie Green, Jay Frey and Mike Gudelski. Back row, Beth Sobolewski, Dave Dawson, Chuck Norris and Jeanne Joria.

DARLING FAMILY from the Masquers production of "Peter Pan" here March 5. Left to right are: front row, Shirley Sobolewski, Jack French and Michael Castelli. Back row, Beth Sobolewski, Cheryl Pikoriatis and Neil French.

## Birthday events at university

The University Center at Southern Illinois University at Edwardsville celebrated its tenth "birthday" Tuesday and Wednesday with events sponsored by the University Center Board.

Black Students Association, Fraternity and Sorority Conference, and Student Government.

Events Tuesday included Rick Gill, folk singer and guitarist, and the Nichols Rock Band, the latter performing for a 50s dance contest in Gochen Lounge.

Yesterday, the East St. Louis High School Jazz Band and SIUE Choral Chorus performed.

Renovations of the University Center art gallery and student activities area are planned in the near future, and Madison said he would like to eventually see the addition of a 2,500-seat theater and 300-seat professional hall to "complement continuing education."

# Engagements and wedding plans of Quad-City couples

**TO MARRY.** Miss Pamela Reinhardt and Robert Curtman Bird whose betrothal and plans for an Aug. 13 wedding, are being announced by her parents, Mr. and Mrs. Gene Reinhardt, 31 Moreland Drive.

## Pamela Reinhardt is engaged

Mr. and Mrs. Gene Reinhardt, 31 Moreland Drive, announced the engagement of their daughter, Miss Pamela Reinhardt and Robert Curtman Bird, at a family dinner party held in their home on the bride-elect's birthday.

Plans are being completed for the wedding to be solemnized on Aug. 13 at the First United Presbyterian Church with the Rev. David Maxton, to officiate.

**BETROTHED.** Miss Sheree Sue Cathey and her fiancé, James Michael Severine. Their engagement is being announced by her parents, Mr. and Mrs. William H. Cathey, 2952 Iowa St. An Aug. 20 wedding is planned.

## Connie Beck August bride-elect

The engagement of Miss Connie Ann Beck, a daughter of Mr. and Mrs. Glen Beck, 14017 Cross Trails Drive, Chesterfield, Mo., formerly of Granite City, and James Perch, was announced at a dinner party held in the Beck home.

Parents of the groom-elect are Mrs. Olga Perch of Akron, Ohio, and the late Joseph Perch. A 1973 graduate of Parkway Central High School, Miss Beck is a senior student at William Woods College, Fulton, Mo., where she will receive her B.A. degree in Home Economics Education. She is a member of Alpha Chi Omega Sorority.

**TO WED.** James Perch and Miss Connie Ann Beck whose engagement and plans for an Aug. 7 wedding are being announced by the bride-to-be's parents, Mr. and Mrs. Glen Beck of Chesterfield, Mo., formerly of Granite City.

**ENGAGED.** Miss Diane Kay Daugherty and John A. Curtin Jr., whose engagement and plans for a June 11 wedding are being announced by her parents, Mr. and Mrs. Robert E. Daugherty, 3004 Myrtle Ave.

## Curtin-Daugherty betrothal

Mr. and Mrs. Robert E. Daugherty Sr., 3004 Myrtle Ave., are announcing the engagement of their daughter, Miss Diane Kay Daugherty to John A. Curtin Jr., 1446 Rankin, Richmond Heights, Mo.

The groom-elect is a son of Mr. and Mrs. John A. Curtin Sr., of Biloxi, Miss. He is a 1972 graduate of Springfield College in Mobile, Ala., where he received a B.S. degree and is now employed as a social worker for John Cochran Veteran's Hospital, St. Louis.

Miss Daugherty was graduated in 1974 from Granite City High School South and is working as a secretary at John Cochran Hospital.

The engaged couple plan to be married on June 11 at St. Elizabeth Catholic Church with the Rt. Rev. Magr. Lawrence Mattingly officiating.

**REV. FRED WHITE**  
**REVIVAL SPEAKER**  
The Rev. Fred White of Alton is conducting a revival which is now in its third week at Pentecostal Church of God, 24th Street and Bromley Avenue.

Services begin at 7 p.m. on Sunday and 7:30 p.m. Monday through Saturday.

## Severine-Cathey engagement

The engagement and plans for a forthcoming wedding of Miss Sheree Sue Cathey and James Michael Severine, a son of Mr. and Mrs. John T. Severine, 2327 Zippel Ave., are being announced by the bride-elect's parents, Mr. and Mrs. William H. Cathey, 2952 Iowa St.

Miss Cathey is presently attending the F. W. Olin School of Practical Nursing and will graduate in June.

## Shower honors Debra Gerkin

Miss Debra Gerkin was guest of honor at a bridal shower given this week at St. Elizabeth Church hall by aunts of the groom-elect, William Barbieri.

Refreshments were served to 45 guests after the honoree opened her gifts.

Hostesses were Mesdames Elvira Thurber, Ann Taylor, Rose Geissert, Julia Barbieri, Lucy Lucido and Gloria Knackstad.

Her fiancé is an apprentice carpenter employed by the Fountain Construction Co. Both are graduates of Granite City High School South.

## Toni Failoni bride-to-be

Announcement is being made of the engagement of Miss Toni J. Failoni and Brad S. Hiles by the bride-elect's parents, Mr. and Mrs. Gordon Failoni, 4840 Warnock Ave.

The prospective groom is a son of Mr. and Mrs. Joseph J. Hiles, 35 Harneywood, Ferguson, Mo., formerly of Granite City.

Both young people are 1973 graduates of Granite City High School. Miss Failoni will graduate in June with a B.S. degree in computer science from Southern Illinois University at Edwardsville.

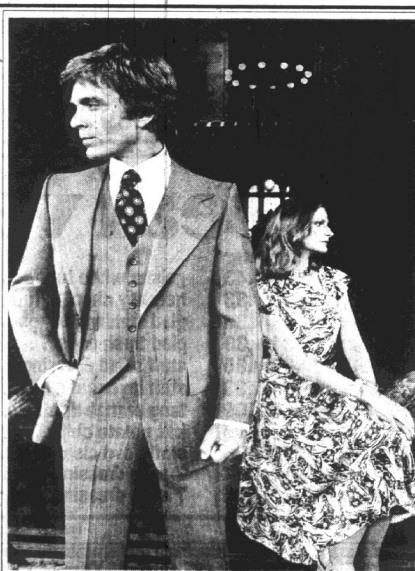

Her fiancé is enrolled at Furman University, Greenville, S.C. and will graduate with a Bachelor of Arts in Finance in May.

Plans are being completed by the betrothed couple for a December wedding.

**MRS. DURBOROW IS HOME FROM HOSPITAL.**  
Mrs. Marilyn Durborow, 5151 Old Alton Road, is recuperating at home after undergoing treatment at St. Elizabeth Hospital.

She will remain at home from two to four weeks before returning to work in the offices of Dr. B. H. Edmund, 1838 Delmar Ave., according to a family spokesman.

## Use of Manpower workers becomes Nameoki issue

A disagreement as to whether Manpower employees being used by Nameoki Township should be allowed to work on private property with the owner's permission has turned into a political debate between the two opposing sides in the upcoming April election.

Louis Whitsell, supervisor of Nameoki Township, says he has authorized Manpower employees to trim trees and clean up private property when the residents have given their permission and when there is either a health hazard on the property or the property owners are in the low income bracket and can not afford to have professionals alleviate their problems.

Norman Hessler, a township auditor, has contended the Manpower employees should not go on private property, unless the county Manpower office is willing to assume the risk of liability for them and their actions.

Hessler and Auditor W. Lee Adams talked to Dan Churovich, Manpower director for the county, and was first told that Manpower employees may not, under any circumstances, work on private property.

Churovich later revised his opinion, noting that Manpower workers may be used on private property if there is a health hazard or low-income situation and the owner's permission is obtained in writing.

In a letter to the board, Larry Dunnivant, 1317

### 2 hurt in accident

Miss Rita Hutchinson, 25, of 1216 Meridian Ave., and Miss Terry Jones, 20, of 2412 Sunbury Ave., were injured when their autos collided at 13th Street and Edwardsville Road at 3:40 p.m. Tuesday.

A southbound bus in the right lane of Edwardsville Road blocked the view of Miss Hutchinson as she turned from 13th Street and collided with the southbound car of Miss Jones.

Miss Hutchinson was admitted to St. Elizabeth Hospital with injuries to her left shoulder, left arm and left hand and a possible fracture to a left rib.

Miss Jones suffered injuries to her back, left shoulder and arm and her neck. X-rays were taken and she was released.

Hessler stated, "He has now reversed his firm stand, but did not state what caused the turn about. I would therefore assume that the county accepts all liability for these employees while on private property. This is all to the advantage of Nameoki Township."

Hessler suggested the Town Board of Health, comprised of the supervisor, town clerk and tax assessor, review all

requests for work on private property and then determine if the work meets the specifications of Churovich's order before allowing any work to be done.

He also suggested records of all work done be kept by the supervisor.

Whitsell said all the Manpower work is recorded and the records are available for inspection by the trustees.

He also responded to a question by Hessler as to why the county has budgeted \$7.6 million for the Manpower program and \$4.2 million for the Community Development program, saying budgets are necessary before the money can be spent, although both programs are funded by the federal government at no direct cost to the taxpayers of Madison County.

Town Clerk Douglas Teeter said he felt referring the requests for Manpower work on private property to the health board is a good idea. The board took the issue under advisement.

## Rites held for Evet Ingram

Funeral services were held at 8 p.m. Wednesday at the Morning Star Baptist Church, East St. Louis, for Evet Ingram, an eight-month-old daughter of Mrs. Elizabeth Ingram of Madison.

The infant died Saturday at St. Elizabeth Hospital.

Other survivors include a brother, Eddie Lee Ingram Jr., of Madison; a grandmother, Mrs. Murline Foster of Madison; and a grandfather, Walter Bowers.

## Eagle Scout 'roundup' begins

The National Eagle Scout Association in cooperation with the Cahokia Mound Council of the Boy Scouts of America has announced the beginning of an Eagle Scout roundup, designed to encourage all Eagle Scouts regardless of their age or occupation to join the National Eagle Scout Association (NESA).

Formed in 1972, the association plans to identify and involve Eagle Scouts in "a meaningful fellowship that will enhance the program of the Boy Scouts."

NESA provides all Eagle Scouts with the opportunity to continue active involvement with scouting, while maintaining and initiating friendship and experiences through the scouting program. The association is for Eagle Scouts of all ages, and local chapters will be established in scout councils across the United States.

A major goal of the program is the developing of a manpower resource for scout councils, while promoting the idea of helping America to "enter its

third century with strong scout leadership." It is estimated there are nearly 500,000 living Eagle Scouts in the nation. Eagle Scouts are being encouraged to call the Cahokia Mound Council at 876-0686.

## Druken heads FBI Springfield division

Victor R. Schaefer, special agent in charge of the Springfield (Ill.) Division of the FBI, retired Monday after 26½ years with the Federal Bureau of Investigation.

He has been replaced by Thomas P. Druken as special agent in charge.

Druken was appointed as a special agent with the FBI on June 19, 1954, and has served in FBI offices in San Francisco

and Detroit. He also has served in a supervisory capacity and as an inspector at the headquarters in Washington, D.C.

Druken has served as the assistant special agent in charge of the San Francisco Division of the FBI. He served as a special agent in charge of the Montana-Idaho Division of the FBI. He served there until his appointment to head the Springfield Division.

Druken is married and has two children.

Schaefer, 53, was born in Brighton, Colo., and received his early education in Ohio. He served in the Navy from 1942 until 1946 and was awarded a bachelor degree from Mount Union College, Alliance, O., in 1950.

He became an FBI special agent that year and served in the Chicago office until November 1951, when he was reassigned to the Washington field office.

In February 1956, Schaefer was transferred to the FBI headquarters, where he served as a firearms instructor in the FBI Academy, Quantico, Va.

He served in a supervisory capacity in the Domestic Intelligence and Special Investigative Divisions until January 1966, when he assumed inspection duties in the Inspection Division. After additional service in the Domestic Intelligence Division, he was designated as assistant special agent in charge of the Salt Lake City office in July 1971.

In January 1975, Schaefer was promoted to the position of inspector and reassigned to the FBI headquarters to serve in the Inspection Division. In March 1975, he was designated to lead the Springfield office.

Schaefer is married and has two children.

## Trailriders plan '77 show season

Members of the Granite City Trailriders Saddle Club are preparing for the 1977 spring-summer season of activities, which includes fun, point, jackpot and money shows and a trailride and weekend campout.

The show season will run from April 17 to Oct. 9.

Prior to the mid-April start date, members are planning clean-up and paint-up sessions on two weekends,

March 19 and 20, and March 26 and 27, at the Trailriders Arena.

The horse arena, where all shows are staged, is located on Chouteau Slough Road, near Rock Road and the Chain of Rocks Canal levee.

Wesley "Gene" Jones of Rural Route Two is the club president.

The first event scheduled by the Trailriders is a "Fun Show" on Sunday, April 17 at 1 p.m. A

GRANITE CITY PRESS-RECORD, Thurs., March 3, 1977 Page 27

"Point Show" is set for April 24 and a "Jackpot Show" on Sunday, May 8. Both begin at 1 p.m.

The camping excursion and trailride will take place Saturday and Sunday, May 14 and 15, at Greenfielders in Missouri.

Other contest dates, include: May 22, 1 p.m. point show; June 5, 1 p.m. jackpot; June 18, 6:30 p.m. point; July 2, 4:30 p.m. jackpot; July 16, 6:30 p.m. point; July 30, 6:30 p.m. money show.

Aug. 13, 6:30 p.m. jackpot; Aug. 27, 6:30 p.m. point; Sept. 11, 1 p.m. jackpot; Sept. 25, 1

p.m. fun (run off if necessary) and Oct. 9, 1 p.m. jackpot show when "high point" trophies will be presented.

This season, the club has scheduled six shows on Saturday evening and eight shows on Sunday afternoons, Jones said.

Should a point show be rained out, the event will be held the following weekend, the club officer said.

All other shows will take place regardless of weather conditions, with the exception of the "Money Show." A rain date will be scheduled for the July 30 contest, Jones advised.

The public is invited to view all Trailriders Saddle Club events, he said. Ample parking is available and a refreshments stand is operated by the club on the arena grounds.

Further information concerning show dates, contest events and membership may be obtained by contacting Jones or any club member.

## Seeks \$50,000 in law suit.

Della Arnetta Jackson has filed suit in Madison County Circuit Court seeking \$50,000 from Jean C. Juefs of East St. Louis as the result of an auto accident on May 30, 1975, in which Gregory Paul Vancil was fatally injured.

Mrs. Jackson alleges that Jean Juefs was the driver of an auto which collided with one in which her son, Gregory, was a passenger near Bend Road and Route 202, south of Madison. Loss of sole support and excessive medical expenses were noted. Negligence was charged.

POST CORP. DECLARES QUARTERLY DIVIDEND

A quarterly dividend of 20 cents per share has been declared by the board of directors of Post Corporation, payable March 31 to stockholders of record March 17.

Post Corporation, a Wisconsin-based newspaper and broadcasting company, last week announced 1976 earnings as \$2,067,250 or \$2.38 per share, a 32 per cent increase over the previous year's earnings from continuing operations. The dividend is the same as that paid in the previous quarter, when it was increased 33 1/3 per cent over the rate paid for several quarters before that.

## Public Notice 34

INVITATION TO BID

Sealed bids will be received until 12:00 p.m. Monday, March 14, 1977 at the Venice Township Office, 1502 Fifth St., Madison, Illinois, for repairs and restoration to be performed in Eagle Park Acres under the Community Development Housing Program.

Each item shall be listed separately by address. General specifications and conditions of proposal and contract performance are set out in forms provided by the Community Development Department.

All conditions and specifications must be met including reports and records. Bidders may bid on all or part of the project. County reserves right to reject all bids.

Bidders must directly contact Ed Salamond, 451-0385, and arrange with him to personally inspect each property on work to be done. The following properties are to be improved:

CLAIM NOTICE

STATE OF ILLINOIS

IN THE CIRCUIT COURT OF THE

THIRD JUDICIAL CIRCUIT

MADISON COUNTY,

PROBATE DIVISION

No. 77-P-25

IN THE MATTER OF THE ESTATE OF GEORGE H. WILSON, SR., DECEASED.

Notice is given of the death of the above.

Date Letters Were Issued: February 28, 1977.

Administrator: Harold Wilson, 1131 Douglas, Madison, Ill.

Attorney: George J. Moran, Jr., 1367 Niedringhaus Ave., Granite City, Ill.

Claims against the estate may be filed in the office of the Circuit Court, Probate Division, County Courthouse in Edwardsville, Illinois, within 6 months from date of issuance of letters; and any claim not so filed is barred as to the estate inventoried within that period. Also, copies of claims must be mailed or delivered to the administrator and to the attorney, WILLARD V. PORTELL, Clerk of the Circuit Court.

VENTURE FOODS

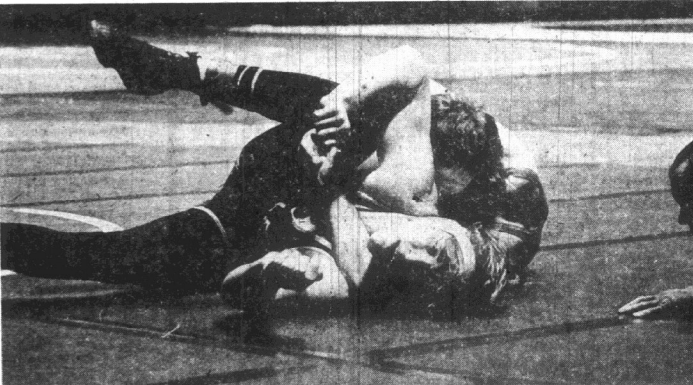

**SOUTH VICTORY** by Warrior Dave Gaines is signaled by the referee after Gaines' pin in 3:47 over

Mark Brooks of Oswego in the opening 132-pound match at the state tournament. (Press-Record Photo)

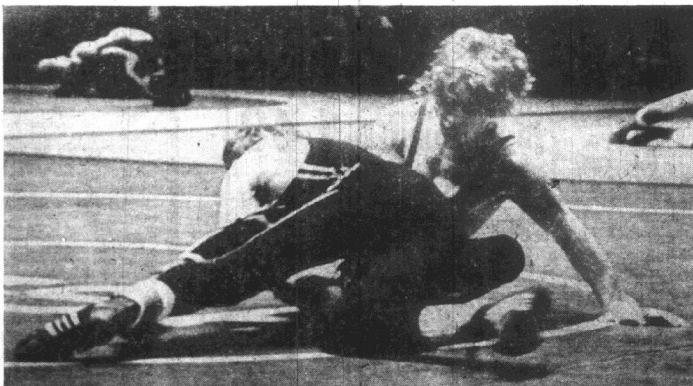

**ONE POINT** is declared for Chicago Vocational High School's David Cook during a 105-pound bout against South's Wally Deshon, right, but DeShon turned

the tables, winning 9-5 in the first round of the state Class AA wrestling tournament. (Press-Record Photo)

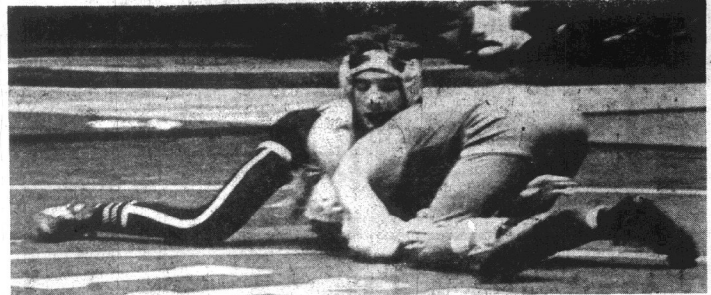

**NEAR PIN** of GCHS North's Mark Widel, facing camera, by John McGinness of Holy Cross River Grove in the state wrestling tournament.

Widel avoided the pin attempt. (Press-Record Photo)

**CLOSE ATTENTION** to his opponent's moves is paid by North's Matt McCullough, seated, during his opening round bout against DeKalb's Kurt Koehling at

the state wrestling tournament. McCullough won the 126-pound match, 11-3. (Press-Record Photo)

**HOW IT'S DONE.** Khris Whelan, GCHS North junior, captured the 1977 state 98-pound wrestling championship among Class AA schools during the weekend at Champaign. He is shown on the left here as he defeated Steve Krause of Midlothian Bremen 5-0 in

the opening round. Whelan next pinned Jim Mitchell of Chicago St. Patrick in 59 seconds and shut out Mario Campos of Rock Falls, 10-0. In the championship bout with Dane Nasenberry of Joliet West High School, Whelan won a 6-2 decision. (Press-Record Photo)

## Young Cougar quintet gives hope for '77-78

There were many "pluses" in an otherwise losing (13-14) season for Coach Jim Dudley and his Southern Illinois University at Edwardsville basketball team, which finished its season during the weekend with a blistering 84-38 victory over Missouri Baptist College on the losers' court in St. Louis County.

Dudley is still optimistic about his Cougar cagers' chances in the years to come. Basis for most of his optimism is the fact that his squad, composed largely of underclassmen at the end of the 1976-77 campaign, won six of the final seven games.

No. 1 architect of that winning streak was SIUE's sophomore shooting star, Kell Peebles of Johnston City who has suddenly captured the interest of St. Louis metropolitan area fans as well as national attention with his outcourt shooting.

Peebles' marksmanship could be the drawing card to attract more paying crowds to the Cougars' games for much-needed revenue. Consequently, the "sigh" of relief heard all over the area during the weekend was that of the SIUE coaching staff when it was found that Peebles' shoulder and head injuries — suffered in the Missouri Baptist game — were not of a serious or lengthy nature.

Starting most of the final one-fourth season's games was a

group of freshmen and sophomores. The "youngsters" played formidably at the conclusion of the season, most fans concluded.

At the forwards were first-year men Bill Branz, Odell and Tom Schmidt, Waterloo, Slender, 6-9 Jim Allen of Morrisonville, a sophomore prep Illinois, all-stater, was beginning to show signs of ability to "go to the basket." Jim and Chuckie Downey, who are not related, are a pair of freshmen who loom large in Dudley's future plans.

Another first-year player showing promise was freshman Fawlow, who played his prep ball at Belleville's Althoff High and teamed well with Peebles at the guard positions.

Speaking of guards, the play of Greg Payne, New Jersey's contribution to the Cougar basketball program, was mostly in a fireman's role but showed signs of earning a starter's berth. He's a sophomore.

Lost for next year will be seniors Bobby Herrod, Mike Miller and Tony Roberts. Back are upperclassmen who could still crack the Cougars' starting lineup in the 1977-78 season: Vince Barnett, Reggie Hadley and Dave Starkey.

Peebles finished the season with a team high 20.3 points-per-game average, his second year to lead SIUE scorers. Next high was Chuckie Downey's 8.2 points. Peebles' .842 from the free throw line again was best for the Cougars.

Top rebounding ace was Bill Branz with 9.7 caroms per game. SIUE set one new team record: the lowest season per-game average. The new mark was 74.1 to replace the previous low of 78.9.

# TOYOTA

## PRACTICALLY THRILLING.

What a combination. The 1977 Celica GT Liftback offers you the practical convenience of the wide-opening rear door and fold-down rear seat. And the thrilling performance of a standard 5-speed overdrive transmission coupled with a powerful 2.2 liter overhead cam engine. Practically too good to believe.

**Standard Features:** Welded unibody construction, MacPherson strut front suspension, fold-down rear seat, power front disc brakes, steel belted radial tires on styled steel wheels, AM/FM stereo radio, tach and gauges and much, much more.

## 'Music in schools' week

"Music in Our Schools Week" will be observed in Granite City public schools March 6-12. The theme for this year is "Harmony in the Arts," with emphasis on integration of the arts of music, dance and the visual arts.

All levels of the music department are involved in stressing the importance of the arts in total education.

On Wednesday and Thursday of next week March 9-10, there will be performances of Granite High School South, patterned after the St. Louis Symphony Orchestra's children's concert.

The performances will include the South High School band, orchestra students and members of the Elementary Chorus from both the Maryville and Marshall centers.

In addition, there will be performances in ballet and interpretive dance. Third level students from Granite City schools will attend.

In the visual arts, poster contests were held in each elementary school for children in levels five and six. One winner from each school will have his or her poster displayed in various places of business around Granite City.

During Music in Our Schools Week, parents will be invited and encouraged to visit their children's schools to observe the music classes in progress.

The Granite City public schools' music staff consists of: Director of music—Joseph E. Owens.

Instrumental music—Miss Linda Beane, Otis Boulevard; Mrs. Mary Davis, Mrs. Laura Nollman, Miss Laura Raffaele, Sterling Schoen, Robert D. Toderoff and Terry Wafar.

Vocal music—Mrs. Deloris Barker, Mrs. Mary Bright, Keith Curtis, Miss Patricia Dineff, Mrs. Mary Fester, Mrs. Mildred Hediger, Miss Alicia Hendrickson, Kenneth Jones, Miss Deborah Milton, Mrs. Gail Mueller, Mrs. Mary Kaye Rogers, Mrs. Carol Ryan, Mrs. Mayme Schaeffer, Mrs. Jennie Totten and Mrs. Beverlee Williams.

Vocal music specialist—Mrs. Patricia Michaeloff.

Golf is new merit badge

Golf, one of the oldest of games, is the subject of the newest merit badge of the Boy Scouts of America.

According to Larry Todoroff, district scout advancement chairman, this raises to 19 the number of sports-oriented merit badges in 15 million 11-to-17-year-old scouts are eligible to earn. There are, currently, 120 subjects covered in the merit badge field, the traditional backbone of scouting's advancement program, a trail which leads from tenderfoot to Eagle.

Earl L. Collings, communications director for the Professional Golfers' Association of America, said, "Many efforts through the years have gone into the establishment of such a badge and we are pleased it finally is a reality."

Golfing traces its history back nearly 800 years to Scotland, where it apparently was developed from a Roman game called "paganica."

The first golf course in the United States was established in Yonkers, N.Y., in 1888. Proponents say more people play the game today than any other outdoor sport, including over 10 million in the United States.

Other "individual" sports which are already on scouting's merit badge list include: archery, canoeing, cycling, fishing, hiking, horsemanship, motorboating, orienteering, rifle and shotgun shooting, rowing, skating, skiing, small boat sailing, swimming, and water skiing.

In addition scouts may earn badges in athletics and sports, both involving multiple athletic events.

**PRACTICE SESSION.** Members of the Collinsville Chapter of The Society For The Preservation and Encouragement of Barbershop Quartet Singing in America, rehearsing for the show scheduled for 8 p.m. Saturday at Webster Junior High School auditorium, Collinsville. Skip Raeborn of Collinsville, left, George Chapman and Rich Plich, center, both of Granite City, and Harold Holmes of Collinsville.

## Barbershop show Saturday

A barbershop extravaganza, featuring the music of Irving Berlin following the theme "Mr. Music," will be presented to the public at 8 p.m. Saturday at the Webster Junior High School, Collinsville, by the Collinsville Chapter of The Society For The Preservation and Encouragement of Barbershop Quartet Singing in America, according to the President Bob Blew.

Several quartets and one double quartet from the chorus will present "When I Leave The World Behind," "It All Belongs to Me" and "When I Lost You." The second half of the show will feature two outstanding quartets from the Chicago, Decatur and Bloomington areas, known as "Grandma's Boys" and a Sweet Adeline group.

Tickets costing \$3.50 for reserved seats and \$2 for general admission may be purchased from any member or at the door Saturday night. A \$1 discount will be given to senior citizens, according to the president.

## Public orientation on health systems agency

The Greater St. Louis Health Systems Agency, the bi-state metropolitan region's health planning body, is sponsoring a one-day orientation session Saturday.

The program includes speakers who will discuss the intent and nature of national health planning laws and an overview of the new St. Louis metropolitan area agency.

The session, which is titled, "Health Planning and You," will feature opportunities for discussion about the development of the Greater St. Louis Health Systems plan.

The General Assembly of the Greater St. Louis Health Systems Agency, open to all residents of the area who are over 18 years of age, is hosting the orientation session.

Everyone interested in the problems and needs of health planning for the bi-state region is invited to attend the meeting. Featured speakers will include: Dr. Allen N. Koplin, associate director of Health Services and Local Health Administration of Illinois; Dr. Stuart Westbury, director of health services management at the University of Missouri.

Medical School; Kenneth Bopp, director of the U.S. Health Education & Welfare Region VII Center for Health Planning; and Dr. Robert D. Finney, executive director of the Greater St. Louis Health Systems Agency.

The orientation meeting will be held at the St. Louis Medical Society, 839 Lindell Blvd., St. Louis 63108. Parking is available.

The public is invited. For further information about the meeting, Quad-Cities may call Virginia Lawton, Greater St. Louis Health Systems Agency, 915 Olive St., St. Louis, 63101, (1-314) 241-5810 (Ext. 66).

## Lutheran High School Association elects

Don Cochran, a representative of the Cross Lutheran Church of Collinsville, has been elected president of the newly-formed Metro-East Lutheran High School Association which is investigating plans and the feasibility of establishing a Lutheran High School in the area.

Other officers elected are Dave Painter, Granite City, of Concordia Lutheran Church, vice-president; Luthera Hall, Wood River, of St. Paul Lutheran Church at Wood River, secretary; and Irv Paula, Caseyville, of St. Peter's Lutheran Church, Caseyville, treasurer.

The board of directors of the association also has established four committees to explore the areas of enrollment, finance, site planning and instruction.

The association presently is made up of Concordia, Holy Cross, St. Paul's, St. Peter's, along with Unit Lutheran of East St. Louis, St. John's of Maryville and Trinity Lutheran of Edwardsville. Other churches are expected to join the association in its move to establish a high school.

The four new committees and their chairmen include: Enrollment, Dave Painter, Concordia; Al Schnack, Trinity; Maude Schreier, St. Paul; and Christine Moxey, Holy Cross.

Finance, Ron Bollinger, Trinity; Irv Paula, St. Peter's and Duane Rankin, Concordia.

Site planning, Irv Dellamano, Holy Cross; Elaine Tribes, Trinity; Linley Rankin, Trinity, and Jack Bain, Unity.

Instruction, Dan Boose, St. Paul; Diane Asmeyer, St. John; Duane Rohmiller, Holy Cross; Rosalia Runge, Unity, and Rev. Don Vietengruber, St. Peter's.

These ad hoc committees will be expanded to a minimum membership of six people. Their most immediate goals will include developing a student pre-registration process to be undertaken in the near future, identifying a potential site for an interim facility that could be used to start a high school beginning as early as September this year.

In addition to the above activities, the High School Association also has been working on a preliminary set of articles of incorporation and by-laws, which will delineate the role, function, and specific responsibilities of the High School Association. The approval of the by-laws and any adjustments if there will be made by the congregations themselves.

The next meeting of the board of directors will be held today at 7:30 p.m. at St. Paul's in Wood River. The primary objective of the meeting will be to complete the details of a congregational informational meeting to be held Sunday, March 13, at 7:30 p.m. at Holy Cross in Collinsville. Area Lutheran churches are invited and encouraged to attend this upcoming meeting.

Questions may be directed to Don Cochran, 505 Camelot, Collinsville, Ill., (618) 345-1741, a spokesman said.

Other "individual" sports which are already on scouting's merit badge list include: archery, canoeing, cycling, fishing, hiking, horsemanship, motorboating, orienteering, rifle and shotgun shooting, rowing, skating, skiing, small boat sailing, swimming, and water skiing.

In addition scouts may earn badges in athletics and sports, both involving multiple athletic events.

## With this simple device, many voiceless people can now talk.

We call it an electronic larynx. It was developed by the Bell System for people who have lost the use of their vocal cords.

And by placing it against the throat, these voiceless people can learn to speak conversationally—even with inflections—just by forming the words with tongue, lips and teeth in the usual manner.

Over the years, Illinois Bell has developed many special devices for customers with a loss of speech, sight, hearing or a motion disability.

One of these services might solve a problem that you—or someone you know—has in using the telephone. (Usually there's a charge.)

If not, we may be able to work out a special combination of telephone services to meet your needs.

And for those who have difficulty completing calls by themselves, we'll arrange to have the Operator place them for you without having you pay the higher rate for Operator-assisted calls.

For more information, contact your Illinois Bell Service Representative. The number is in the front of your directory and on your phone bill.

You can also call our Personal Service Specialist collect in Chicago, at (312) 727-4421. Or send in the coupon below and get a copy of our free booklet.

**HELPFUL YOUNGSTER**

## Multiple Sclerosis drive

The 1977 MS Hope Chest Appeal to aid people stricken with multiple sclerosis (MS) will start Saturday in Granite City when volunteers begin making house-to-house calls. David Fox, vice-president of the First Granite City National Bank, is serving as this year's drive chairman.

March has been designated "Multiple Sclerosis Month" and volunteer workers will seek contributions in Granite City's

residential areas Saturday through Monday, Fox said. About 5,000 people in the bi-state metropolitan region, many of whom are young adults, are afflicted with the disease, which attacks and destroys the body's central nervous system and most often results in progressive disability.

MS patients, including those in the Quad-Cities, are served by the St. Louis Area Chapter of the National Multiple Sclerosis Society, headquartered at 915 Olive St., St. Louis.

Fox said the society "allocates millions of dollars annually for research to find the cause and cure of this cruel disease."

"The St. Louis chapter needs funds to accelerate its patient service effort to provide the necessary equipment required by patients stricken by MS," the chairman stated.

"We are relying on the community and additional volunteers to help in this year's drive," Fox stressed.

Multiple Sclerosis is a chronic disease of the central nervous system which affects vision, motion, hearing, speech or balance.

It is characterized by a series of spontaneous attacks and remissions, most frequently resulting in advancing stages of disability.

Many MS patients are forced into wheelchairs and are totally bedridden in frequent instances.

To accentuate the campaign here and the urgent need for greater public support to further research effort, Granite City Mayor Paul Schuler signed a proclamation this week and

presented the document to Fox. It reads in part: "Whereas: Multiple Sclerosis is the mysterious disease of the central nervous system, afflicts approximately 5,000 people in the area served by the St. Louis Area Chapter, National Multiple Sclerosis Society; and

"Whereas: A dedicated group of men and women have organized to assist those patients in our midst and to secure funds to underwrite research in our own and other institutions of medicine; and

"Whereas: March is the month for this group's appeal for community understanding and support with major efforts during the month of March, 1977.

"Now, therefore, I — Mayor Paul Schuler, mayor of Granite City, Ill., do proclaim March, 1977 as 'MS Hope Chest Appeal' and urge all concerned citizens to support the work of the St. Louis Area Chapter of the National Multiple Sclerosis Society."

Active in numerous local community projects, Fox is the current president-elect of the Tri-Cities Area United Way Campaign; and a member of the executive board, Cahokia Mound Council, Boy Scouts of America.

The MS appeal leader holds memberships in Granite City Masonic Lodge 877, Scottish Rite Bodies, Mississippi Valley Community and Ainaid Shrine Temple.

**APPROVING CAMPAIGN** to aid the National Multiple Sclerosis Society through the 1977 MS Hope Chest drive in Granite City. Mayor Paul Schuler, left, signs document urging public support. David Fox, drive chairman, announces the house-to-house phase will take place Saturday, Sunday and Monday. About 5,000 people in the bi-state region are helped by the St. Louis Area MS Chapter.

## Three homes burglarized

A lone burglar was believed responsible for breaking into three houses, ransacking them and taking some items Monday night. Police first were told at 9:35 p.m. Monday that the home of

Ed and Mary Stone, 3432 Lydia Lane, had been burglarized. They noticed one set of footprints, about a size seven, in the snow which went from the house to the Nameoki Drainage Ditch. Police followed the tracks along the ditch to Terrace Lane where the trail disappeared. At 10:15 p.m., it was reported the home of Raymond Barr, 2330 Terrace Lane, had been burglarized.

While officers were investigating that burglary, they were informed the home of Barbara Duft, 3420 Lydia Lane, also had been burglarized. Since the Stone house and Mrs. Duft's home are on the same block, officers assume the same burglar may have been involved. All three houses were ransacked.

At the Stone home, a rear kitchen window was opened to gain entry. The house was ransacked and a wallet, two speakers and a pillowcase were stolen.

At Barr's home, a sliding door in the rear of the house was forced open and the house was vandalized. Valuables were believed taken, but a list is to be prepared.

Mrs. Duft discovered the rear basement window was broken to gain entry. It is not known if anything was stolen. A screwdriver was found in the kitchen, believed left by the burglar.

## Hospital notes

Patients admitted to St. Elizabeth Hospital Monday:  
James Page, 113 Treeclester; Mary Paterson, 2640 Angela; Doyle Meade, Grand Tower; Dr. Bethel Voss, Box 859, Rural Route Two; James Beal, E. St. Louis; Ronald Sherrod Jr., Edwardsville; James Walker, 1326 Robin, Venice; Verna Vanover, 1400A Madison, Madison; Effie Young, 1323 Washington, Madison; Christine Kirkpatrick, St. Louis.

Helen Wilson, 2321 Washington; Betty Heard, 1217 Market, Madison; Marie Collier, Colonial Haven Nursing Home; Abe Hoy, 4002 Wabash; Christine Henkins, 2105 Missouri; Louise Reid, Wood River; Florence Polaski, 1020 State, Madison; Jennifer Jacoby, Edwardsville; Lynne Prater, 2137 Waterman; Georgia Botteinger, 2556 Edison; Barbara Schwertmann, 2400 Lincoln.

Alton; Sheila Heil, 273 Dale; Rosa Wofford, E. St. Louis.

### FORMER TRUCK STOP OWNER SENTENCED

The former owner of a Stanton truck stop has been ordered to pay \$30,000 in back taxes and serve two years of court-supervised probation for violating the state's Retailers' Occupation Tax Act. The sentence, entered against Melvin E. Watson, 44, former owner of the Watson Union 76 Service, a truck stop at Route 66 and Stanton Road, Stanton, was handed down in Macoupin County Circuit Court by Judge Gordon Sator.

The case was based on charges by the Illinois Department of Revenue that Watson failed to file sales tax returns for six months in 1974 and that he operated the business after his certificate of registration had been revoked by the state. Watson, who had pleaded innocent during an arraignment in 1975, changed the plea to guilty during the late-February court action.

### NEW DEAL WRAP

A special session of the 73rd Congress adjourned June 16, 1935, after enacting much of President Roosevelt's New Deal legislation.

# STEREO SALE

Giving you the best possible deal on stereo equipment is our specialty at CMC... especially thru Saturday!

**KENWOOD**  
KR-7600 Stereo Receiver  
Our lowest price ever on one of the best "watts-per-dollar" receiver values in this price range. A whopping 80 watts RMS x 2 (20-20,000 Hz @ 8 ohms) at no more than 0.3% distortion and 1.7uV FM sensitivity make it a good buy at its regular price... and during our 20 hour sale, it's a super deal! Sug. Price \$529.95

**Technics SA-5160**  
Stereo Receiver  
If you don't need all the power offered by the Kenwood, the Technics SA-5160 makes a good choice. With 25 watts RMS x 2 (20-20,000 Hz @ 8 ohms) at no more than 0.5% distortion you'll have enough power to get big, full bass response from any speakers. Plus you get great FM... wide versatility and CMC's great sale price! Sug. Price \$229.95

**\$179**

The suggested prices shown here are prices presently or in the past established by the manufacturers, wholesalers or distributors or are prices promoted by our competitors as their regular prices for identical merchandise. In many instances they do not represent our normal retail selling prices which often are below the suggested selling prices. Our sale prices mentioned in this advertisement, represent significant reductions from our normal selling prices and therefore are, in our opinion, exceptional values for our customers.

**\$59**  
440 Automatic Turntable  
One of the most reliable record changers available with a new low-mass tonearm. Base and cover included. Cartridge extra. Sug. Price \$79.90

## Madison Secretaries hear Paul McCarthy

Paul McCarthy, a representative of the Hickey Business School, Clayton, Mo., spoke at the monthly meeting of the Madison Chapter of the Future Secretaries Association (S.A.), held at Madison High School.

He chose for his topic, "Non-Verbal Areas of Communication" and presented a slide program to illustrate how people communicate by actions, dress, hair styles, attitudes and facial expressions.

The guest speaker was introduced by Millie Babic, vice-president of the organization. The meeting was called to order by the President Darlene Gilliam and reports were submitted by Harriet Malone, secretary, Joyce Hayden, treasurer and Wendy Burns, corresponding secretary. Miss Burns announced she had sent a note of thanks to Stan Howlett, guest speaker at the January meeting.

A discussion was held on participation of the senior members in activities scheduled for National Secretaries Week. During the

observation the senior members will spend an entire day working in a business office. Arrangements for the project will be made by Mrs. Charles Vucovic of the Tri-City Chapter of National Secretaries Association, it was noted.

## Pack 122 views puppet show

Dan Dittman, children's pastor at Tri-City Park Tabernacle, presented a puppet show at the annual blue and gold banquet of Cub Pack 122, sponsored by Wilson School PTA, held last week at the school.

Cubmaster Jim Wilson gave the welcoming address and Mr. Dorothy Baker, PTA president offered the invocation and led the pledge to the flag.

Following the buffet style dinner, den leaders Mrs. Jeanne Dawson, Mrs. Joan Houston and Mrs. Sylvia Woods presented dinner braids to Jack Brown, Dan Linsenman and John Anderson and introduced Den Chief of Troop 122, Dan Turcott.

They announced a Webelos den is being formed under the direction of Frank Woods. Awards given were, advancements under the Webelos rank, to Mike Geske and Donald Gilbert, citizen and artist award and two year service pin and John Adler, citizen award.

Mike Reyes, Bear badge and one year pin; David Dawdy, Wolf badge; Mike Baker, Wolf badge and one year pin; Donald Stevanus, gold and silver arrows and one year pin; Taylor Schultz, gold and silver arrows; and one year pins to Frank Woods; Jack Brown, Jamie Wilson and John Blalock.

Recruiter and donkey patches were given to Jack Brown, Duane Dawson and Terry Taylor and recruiter patches to Steve Houston, Taylor Schultz and Shawn McClure.

Each scout was also given a pinewood derby kit to be prepared for the derby races set for the March meeting.

The event closed with everyone reciting the cub scout promise.

Others attending were Emma Goble, Mae Findley, Talmage Lowery, Ann Spore, March Schulte, Ivolue Streetmaker, Edward and Elva Lalleme, Vinda Ridings, Harold Huber, Gertrude Bundy, Lucille Pierce, Edna Wheat, Lottie Ostresh, Neal Pashea, Florence Ashai, Lillian Weidel, Elizabeth Gossio, Clara Verel.

Johanna Gerolds, Dorothy Reno, Lena Harmon, Aline McPheters, Mildred Johnson, Roy Lile, Jessie Chase, Clara Masterman, Katherine Hinkley, Juanita Towery, Esther Paterson, Dorsey Moody, Ruby Obranovich, Lena Wood, Cleveland Cox, Lorene Cathey and Betty Cooper.

## Kathleen Ramsey party honoree

Mrs. Mary Ann Ramsey, 2419 Madison Ave., entertained guests during the weekend in honor of the fourth birthday of her daughter, Kathleen Rose Ramsey.

Pink and white Suzy Angel decorations were used for table appointments and a pink and white whipped cream cake, topped with a picture of the decorating motif, centered the table.

Games were played and prizes awarded to Nita Martin, Ricky Sutton, Patrick Ramsey and John Moore Jr.

Other guests included Brenda Moore, John Martin, Kim Boedecker, Mrs. Irene Martin, Mrs. Ellen Sutton, and Mrs. Bertha Logan, grandmother of the honoree and the guest of honor's father, Larry O. Ramsey.

## MRS. PAM ISRAEL ENTERTAINS CLUB

Mrs. Pam Israel was hostess to the July 12 Pinocchio Club last week and served a dessert luncheon after the games.

Those holding high scores and winning prizes were: Madeline Dolores Riddell, Sue Busch, Lucille Broyles and Virginia Kittel.

Also attending were Norma Crenshaw, Maryette Wanbaugh and Clara Winter.

Downtown Granite City

MR. AND MRS. GREGORY PERKINS who were united in marriage at Holy Cross Lutheran Church, Collinsville. Formerly Miss Susan Denise Sponemann, the bride is a daughter of Mr. and Mrs. Wilbur Sponemann of Collinsville. The groom is formerly of Granite City.

## Eagles Auxiliary plans state meet

Plans to host a state officer's meeting this weekend were discussed at the Eagles Auxiliary meeting, held last week at the Eagles Hall, with President Ruth Paubel presiding.

Mrs. Phyllis Seka, chairman of the event, announced a 6:30 p.m. pot-luck dinner will be hosted in honor of Mrs. Marjorie Priddy of Mount Carmel, Ill., Illinois auxiliary state president and other state officers.

The Auxiliary's Kitchen Band will entertain after the dinner and on Sunday, March 6, breakfast will be served at 9:30 a.m. followed by a noon meeting.

Guest speaker will be Mrs. Priddy and the Jerseyville Auxiliary Ritual Team will initiate new candidates. A luncheon will be served after the meeting, the president added.

Reports were given by Helen Frazier, secretary; Norma Nettie Koehler, Heart Fund chairman; and Angie Buehler, zone rally chairman.

Mrs. Buehler added the joint Aerie and Auxiliary zone rally will be held in Granite City on April 1, 2 and 3, with Ruth Elderbrook of Milwaukee, Wis., attending as grand representative. The annual memorial service is scheduled for March 22, Mrs. Buehler added.

Luncheon was served by Leona McCoy and the white elephant prize was won by Fatima Batson and special prize went to Dolores Sanders.

## Susan D. Sponemann and Gregory Perkins are wed

Miss Susan Denise Sponemann, a daughter of Mr. and Mrs. Wilbur Sponemann, of Collinsville, and Gregory Lee Perkins, a son of Mr. and Mrs. Marvin Perkins of Troy, formerly of Granite City, exchanged wedding vows in a candlelight ceremony on Jan. 29 at Holy Cross Lutheran Church, Collinsville.

Burning tapers in hurricane lamps, accented with white satin bows and greenery, illuminated the aisle and bouquets of mums, daisies, carnations and greens arranged with branched candelabra decorated the altar. The Rev. Gilbert Busarow and the Rev. John Koch officiated at the 7 p.m. double ring ceremony.

Organist Alan Bogovich of O'Fallon accompanied soloist, Mrs. Peggy Martin of Collinsville, as she sang "The Lord's Prayer," "The Wedding Song" and "Wedding Prayer."

Escorted to the altar by her father, the bride wore a full length gown of peau satin designed with an Empire waist and fitted bodice with an oval neckline. The bodice was accented with imported red embroidered Belgian lace, etched with sequins and seed pearls.

The decorative lace was repeated on the bell sleeves and fitted cuffs and encircled the full skirt and chapel length train. A personalized initial "S" adorned the entire back of the dress created in lace, pearls and sequins.

She wore her mother's veil of tulle and lace attached to a lace Juliet cap, and she carried a colonial bouquet of white silk roses, miniature carnations with baby's breath, tangerine and yellow forget-me-nots, centered with a cluster of antique lace ribbons.

Maid of honor was Carol Gaultney and bridesmaids included Mary and Peggy Sponemann, Fran Schmitz, Marcia Sova, Linda Biondi and Mary Perkins.

They wore alternating dresses of sun gold and tangerine Quiana crepe designed

with sleeveless bodices and Empire waistslines complemented with capes of matching chiffon, trimmed with lace.

Each held a colonial bouquet of miniature mums, daisies and baby's breath festooned with ribbon streamers.

Julia Gaultney was the flower girl and Denise Wilke distributed the wedding programs. They were dressed alike in flocked green floral print frocks with long puff sleeves. The flower girl carried a green basket of blossoms.

Mrs. Marilyn Wilke was in charge of the guest book. The bride's mother wore a formal length dress in pink.

The groom chose Richard Schmitz as best man. John O'Donnell, Dan Pasewicz, Bill Laycock, Kerry Gaultney, Donald and Mark Perkins were groomsmen.

John Worthen and Tim Gill served as ushers and candlelighters. Stephen Perkins was the ringbearer.

A reception and supper dance was held at the American Legion Hall in Edwardsville for about 600 guests, after the ceremony.

The newlyweds are residing in Edwardsville.

## Spirituals revisit Bethel Temple

Fred Church and the Spirituals, considered one of the foremost gospel singing groups in Mid-America, will appear at Bethel Temple Pentecostal Church, 2400 E. 29th St., at 7:30 p.m. Saturday.

The Rev. Ralph McKinney, pastor, has invited the public to hear the renowned singers, whose appearance at various churches in several states now exceeds 1,000 concerts.

The group has performed at youth crusades, conventions, county fairs, Masonic lodges, on campuses and in auditoriums such as Kiel in St. Louis and the Grand Ole Opry hall at Nashville, Tenn.

The Spirituals have recorded seven long-play stereo albums. They also have appeared on television shows.

Their last performance here in January was "very well received," the Rev. McKinney said.

Service couple names SON ROBERT JAMES Army Private Second Class and Mrs. Michael Paschedag of Fort Gordon, Ga., formerly of Granite City, are announcing the birth of their first child, a boy, on Feb. 6.

The infant, who was born in the Dwight D. Eisenhower Army Hospital, has been named Robert James. He weighed eight pounds, two ounces. Grandparents are Mr. and Mrs. Robert Paschedag, 3013 Maryville Road, and James Dortch, 2817 Dale Ave.

## L. M. ARONBERG, M.D.

Wishes to announce the relocation of his office to:

FEATURING THE GOOD VIBES OF "DISCO DON!"

## Burr will boss his film on Pope John

By NANCY ANDERSON  
Press-Record  
Hollywood Bureau

Raymond Burr is going to play an investigative reporter (aren't all reporters supposed to investigate?) on NBC-TV this season, because he's like another shot at playing the Pope.

The Emmy-winning actor candidly says that he'll star in a new series, "Kington: Confidential," in hopes of socking away enough to finance a movie about the late Pope John XXIII, whom he played in a movie-for-television.

"I want a lot more money than I have," Burr announced during a recent breakfast in Los Angeles. "Because I have a project I want to control. I want to be able to put up all the money."

The church has approved his plan to make a picture about Pope John, and he has "a commitment" with (Carlo) Ponti, Burr said. So others are involved.

But when the film he has in mind goes into production, he's determined to be the boss.

To suggest the scale of the picture he's planning, he estimated it would require four years of preproduction work.

On the subject of "Kington," its star thinks it can succeed even though every other newspaper-oriented television series has flopped.

"City rooms, presses, the mechanics of putting out a paper become the stars of those earlier shows," Burr claimed.

"People will be the stars of 'Kington.' I believe in communications. I've always wanted to see a newspaper story successful done."

Burr has more than normal interest in communications, because he owns a major share of The Fiji Sun, a seven-day-a-week paper in the Fiji Islands.

His competition is 104 years old, but Burr is proud to say The Sun already has the larger circulation.

The star trusts that "Kington" will get off to a better start than "Perry Mason" and "Ironside" since, in his opinion, "The first

Gable, citizenship skill award and tenderfoot; Kenny Gorfine, certificate as senior patrol leader, life award, cooking merit badge, communications skill award.

The Hawk patrol received the Scoutmaster's trophy for the most advancement in the troop.

Members of Scouts receiving awards were presented with miniature awards similar to the awards earned by their sons.

Special guests at the dinner were Mr. and Mrs. Jerry Christ, Mr. and Mrs. Randy Affolter and Ted Scrump.

Scoutmaster Leroy Stark presented a certificate and ribbon earned by the troop at a scout skill event.

Displays on leathercraft and new cooking gear were set up by the Scouts for their parents to inspect.

## Soroptimist Club honors GC students

The Soroptimist Club of Metro East Illinois presented 1977 Youth Citizenship Awards (YCA) to two Granite City High School students at its annual YCA dinner held Monday evening at Fischer's Restaurant in Belleville.

Mrs. Winnie Foster, club president, welcomed members, the first three place winners, their parents and school principals. She announced the first place application has been placed for further competition at the regional level.

The South Central Region, one of 19, will select a winner who will receive \$1,000, and then be placed in competition on a national level where the finalist will receive an additional \$1,500.

Mrs. Mary Huskey, YCA chairman, presented Miss Glenda Irene Calvin, a Granite City High School student, with the first place award. She is a daughter of Mr. and Mrs. Ivan Calvin, 2048 Thirteenth St.

The second place award was given to Larry Libby, from North High School, a son of Mr. and Mrs. Charles H. Libby, 1628 Venice Ave.

Gregory Allen Moore, a student at Cahoon Senior High School, received the third place award.

Mrs. Huskey announced she had received 27 applications from seven area high schools. After dinner entertainment was provided by the Alhott Catholic High School German Folk dancers.

A business session was held following the evening's festivities conducted by Mrs. Foster.

LOCK BROKEN OFF  
Police discovered at 3:35 a.m. Tuesday that the lock on the front door of Midtown Pharmacy, 2057 Johnson Road, had been forced off. The owner, Mayor Paul Schuler of Granite City was notified and secured the door. Nothing was disturbed and it is not believed anything was stolen.

WASHINGTON THEATRE  
451-7777  
NOW SHOWING

the Premonition  
NIGHTLY AT 7:30  
SUN. 1:00 - 4:15 - 7:30  
CLOSED MONDAY

The 90-member Granite City High School North concert band will present the third in its season's series of concerts on Monday evening, March 7, at 8 o'clock in the North cafeteria.

The concert band, under the direction of Robert D. Todroff, is in its fourth season.

The program will open with introductory remarks by Assistant Principal Terry Salem, a noted area musician, and the band vice-president, Senior Wendy Brandibas. Miss Brandibas also will serve as narrator for the hour-long concert, which will feature a wide range of musical offerings.

Included on the program will be: "My Jesus, Oh, What

Anguish" by J. S. Bach, as arranged by Alfred Reed; "Mosaico de Mexico," a symphonic suite in three parts, which depicts the many moods and sounds of Mexico.

"A Dance Overture" by Frackenpohl, a contemporary recent work based on quartet melodic structure, featuring contrapuntal development sections; "First Rumanian Rhapsody Themes" by Georges Enesco, as arranged by Maurice Gardner; "The Red Samba" by L. H. Bailey, arranged by Lucien Callet.

"Band of Gold" concert march, by George Kneib; "Tempo Tobago" by Madeline Dring, arranged by W. Scott; and "Benny Goodman in Concert" featuring well-known melodies of the 1940s made famous by the "King of Swing," including "Stompin' at the Savoy, One O'Clock Jump, More Than You Know, Don't Be That Way" and Goodman's theme song, "Sing, Sing, Sing."

Arrangements for the concert are under the direction of Harold Stoker, North Band Parents Association president.

Admission is by season ticket, or single admissions of \$1 for adults, 50 cents for students or 10 cents for band students at the door.

Program awards are members of the "Steel City Belles" pom pom squad, a part of the band department.

# Quality of air and lung development studied here

Scientists are now working to establish a correlation between air pollution levels and lung development or capacity, according to Stephen K. Hall.

Associate professor of chemistry at SIUE, he is also director of the Harvard Lung Study in the Midwest. He reported on his research during the annual meeting of the American Association for the Advancement of Science, held in Denver, Colo., Thursday.

Hall addressed the section of the meeting on weather and geochemistry. His paper, "Air Pollution-Respiratory Health Study in Southeastern St. Louis," described a portion of his research.

The region was chosen for an indoor-outdoor air pollution study by Hall and two SIUE graduate students, Grace VanZant of Raymond and

Patricia J. Huff of Granite City, because of its measured high levels of pollutants.

The study area is both residential and commercial. A coke plant, titanium plant, lead battery factory and sludge incinerator are located near the study area.

Other pollution data on the area came from the federal Environmental Protection Agency and the St. Louis Air Pollution Control Office.

With this background information, Hall hopes to find correlation between air pollution and children's lung development.

The Harvard Lung Study has six study sites in the nation. Hall is in charge of the four Midwestern sites — St. Louis, Topeka, Kan., Portage, Wis., and Kingston, Tenn. Two other sites are in Watertown, Mass.

and Steubenville, Ohio.

Lungs of first-year grade school students are checked. Lung development of these students then is measured each following year until they graduate from high school.

Each year, a new class of students is added to the study so that, by the end of the 12-year research, 12 groups of students will be participating in the study at each site.

In addition, adults at each site are chosen at random by a computer to participate in the lung study.

"What we do with the students and adults is to check their lung capacity and find out how much this changes over the years," Hall said.

"We conduct detailed surveys and interviews to select subjects as to where they work, whether they smoke, and personal habits."

"Then we try to take all factors into consideration and analyze their lung development," Hall said. "Yearly studies with grade school students show whether or not the lungs of students living in polluted areas develop normally."

"With adults, once they pass the age of 25, lungs get smaller. We are trying to find out how fast a person's lungs deteriorate if they live in a more polluted area," he said. "We are trying to establish a direct correlation between air pollution levels and lung capacity."

Generally, Hall said that air pollution studies have found Steubenville to have the most air pollution. Topeka and Watertown were relatively clean, and Kingston and St. Louis ranked in the middle.

"The Portage site is an interesting one because they have just built a power plant and people are edgy about pollution problems," Hall said. "Portage is a smaller town that suddenly has a power plant. Overnight, it changed from a clean area to a more polluted area. It is an ideal experimental station."

The research has been under way for two years. Hall said exact findings on how pollution affects lungs will be reported when the study has progressed farther.

INSTRUCTIONAL MEDIA is discussed between Wade James, assistant superintendent of schools of Madison, left, and Art Stunard, director of instructional media and television for the National College of Education, at a teachers institute held for faculty and administrators of Madison School District 12.

**DECORATIVE PAINTERS WILL MEET MARCH 13**

Gateway to Tope, the Greater St. Louis Chapter of the National Society of Decorative Painters, will meet March 13 at 2 p.m. at the Community Center, 9641 Bellefontaine Road, Bellefontaine Neighbors. Members are to bring items for an "idea exchange" table. The public is invited.

After a business meeting, the chapter will work on favors for the 1978 national convention which is to be held in St. Louis. Many teachers will be present to assist and instruct. For additional information about the meeting or the organization, Quad-Cityans may contact Karen Machino, president, at 876-5566 or 931-1456 in Granite City.

## Mathematics field day

More than 450 students from 40 area high schools will participate in the eighth annual Mathematics Field Day Saturday, March 12, at Southern Illinois University at Edwardsville. The event is sponsored by the SIUE department of mathematical studies.

Associate Professor Paul Phillips said representatives of each area high school class — sophomores, juniors and seniors — are being invited to attend the event.

High school mathematics teachers may choose as many as four students from each of these grade levels to participate in the competition.

Two mathematics teacher associations will meet in conjunction with the field day. The Southwestern Section of the Illinois Council of Teachers of Mathematics (ICTM) and the Math Club of Greater St. Louis will conduct sessions from 8 a.m. to 3 p.m. at SIUE.

Several mathematics education experts will speak to area educators. Featured speaker at the luncheon session will be Louis S. Cohen of Bloomington, Minn., on "What Truly are the Basics?"

Nadine Verderber, assistant professor in the department of mathematical studies at SIUE, is coordinating the two associational meetings.

Sessions will be held in the SIUE Peck Building and Classroom Building II, with luncheon served in the Mississippi Illinois room of the University Center.

The expanded program will allow area teachers to take part in activities designed for them while their students are taking the examination and awaiting their test results.

Participants in the field day will compete only against other students in their grade level. Winners are to be determined by high scores on a uniform test given to all entrants.

First through fourth place winners and honorable mention recipients will be chosen from each grade level. Winners will receive awards and certificates of recognition.

Phillips said team points also will be tallied. A team is composed of four students representing one grade level from each school.

Three traveling trophies, for the sophomore, junior and senior winning teams, will be presented to each school class receiving the most team points. All three trophies were given to SIUE by Pi Mu Epsilon, an honorary math fraternity.

Belleville Township East High School won two and University City High won one of the team trophies during last year's field day.

## Graduates at Sheppard AFB

Airman Hosea A. Franklin II, son of Mr. and Mrs. Hosea Franklin Sr., 1224 Douglas St., Venice, has graduated at Sheppard AFB, Tex., from the U.S. Air Force technical training course for communications specialists.

Airman Franklin, who was trained to operate teletypewriter equipment used in the world-wide Air Force communications system, is being assigned to Sunnyvale Air Force Station, Calif., for duty with a unit of the Air Force Communications Service.

Completion of the course enables the airman to receive academic credits through the Community College of the Air Force.

Airman Franklin is a 1974 graduate of Madison High School and attended Southern Illinois University at Edwardsville, Belleville Area College and the Control Data Institute, St. Louis.

## Illinois beer sales record

Illinois sales of beer in 1976 rose 1.6 per cent over the previous year to a record 8.15 million barrels.

Al Fritsch, executive director of the Associated Beer Distributors of Illinois based in Springfield, notes Illinois Department of Revenue figures showing sales advanced — in barrel to case equivalents — 1.8 million cases to a total of 112.3 million cases.

Illinois has maintained its position as the fifth largest beer volume state in the country with a 1976 sales growth trend slightly above the national trend.

The Associated Beer Distributors of Illinois is the industry trade association representing the 270 independent companies licensed by the state of Illinois to sell beer at wholesale.

Sadly missed by Wife, Daughters and Sons

The requisite affidavit of non-residence having been filed, notice is hereby given you, Gilbert E. Degerlia and Starla J. Degerlia, et al., Defendants, in the above entitled suit, that the said suit has been commenced in the United States District Court for the Southern District of Illinois in Springfield, Illinois by said Plaintiff against you and other defendants, for the foreclosure of a certain mortgage made by Gilbert E. Degerlia and Starla J. Degerlia to Mortgage Associates, Inc., as Mortgagee conveying the following described property and premises to wit:

Lot 3 in Fairwood East Subdivision, a Subdivision in the South East 1/4 of Section 1, Township 5 North, Range 9 West of the Third Principal Meridian, according to the Plat thereof recorded in the Recorder's Office of Madison County, Illinois in Plat Book 42 page 38; Situated in the Village of Bethalto, County of Madison, and State of Illinois, commonly known as 713 Albion Lane, Bethalto, Illinois.

Lot 3 in Fairwood East Subdivision, a Subdivision in the South East 1/4 of Section 1, Township 5 North, Range 9 West of the Third Principal Meridian, according to the Plat thereof recorded in the Recorder's Office of Madison County, Illinois in Plat Book 42 page 38; Situated in the Village of Bethalto, County of Madison, and State of Illinois, commonly known as 713 Albion Lane, Bethalto, Illinois.

THIS MATTER coming to be heard on the motion of the Plaintiff for an Order directing the Defendants, Gilbert E.

Degerlia and Starla Degerlia and UNKNOWN OWNERS, to appear and file their Answer or otherwise plead to the Complaint to Foreclose Mortgage heretofore filed in this matter and it appearing that an Affidavit of Non-Residence and a Petition for Order of Publication having been filed herein, and the Court being fully advised in the premises:

IT IS HEREBY ORDERED that Defendants herein, Gilbert Degerlia and Starla Degerlia and UNKNOWN OWNERS, file their answers or otherwise plead to the Complaint to Foreclose Mortgage heretofore filed by Plaintiff on or before April 8, 1977.

IT IS FURTHER ORDERED that notice of this Order be published in the Granite City Press-Record once a week for six (6) consecutive weeks.

ENTER: Judge Robert Morgan.

DATED: February 10, 1977. Now, therefore, unless you the said Defendants, file your answer to the complaint in the said suit or otherwise make your appearance therein, in the Office of the Clerk of the District Court of the United States for the Southern District of Illinois in the Federal Building in Springfield, Illinois on or before the 8th day of April 1977 default may be entered against you at any time after that day and a Decree entered in accordance with the prayer of this Complaint.

**PUBLICATION NOTICE**  
The requisite affidavit for publication having been filed, notice is hereby given to you

and each of you ALL WHOM IT MAY CONCERN and to whom it may concern, that on the 24th day of February A.D. 1977, **WILLIAM JOSEPH CURTMAN and MARY KATHLEEN CURTMAN** filed a petition in the office of the Clerk of the Circuit Court of Madison County, Illinois for the adoption of a child named **WILLIAM LOREN LIZANA** that summons was duly issued, returnable according to law, and that said petition is still pending.

Now unless you, **WILLIAM L. LIZANA and LYNN ANN LIZANA** the said Defendant, file your answer, or otherwise make your appearance in said cause, held in the Courtroom in the City of Edwardsville, County of Madison, Illinois, on or before April 11 A.D. 1977, default may be entered against you at any time thereafter and a decree of adoption entered in accordance with the prayer of said petition.

**WILLARD V. PORTELL** Clerk of the Circuit Court  
Madison County, Illinois  
**Attorney**  
**WILLIAM E. BRANDT**

DO IT YOURSELF**

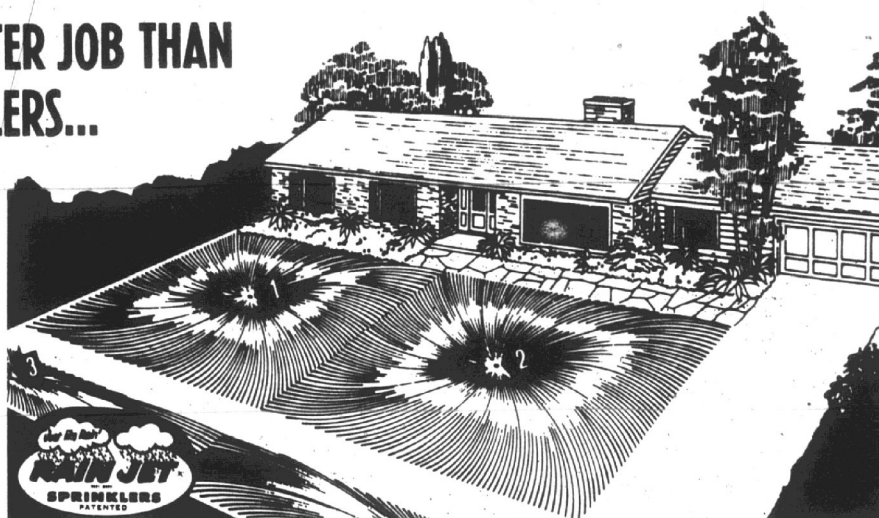

# **UNDERGROUND SPRINKLER SYSTEM**

**PERMANENT UNDERGROUND SPRINKLER SYSTEM THAT YOU  
CAN EASILY INSTALL YOURSELF AND IT'S INEXPENSIVE TO DO**

- **SAVE MONEY, EFFORT, TIME AND WATER**

**4 RAIN JETS DO A BETTER JOB THAN  
24 ORDINARY SPRINKLERS...  
AND COST LESS**

ONLY RAIN JET'S PATENTED ROTARY, POP-UP PENDULUM ACTION PRODUCES RAIN-LIKE WATER DROPLETS INSTEAD OF FOG OR MIST, SO YOU SAVE WATER. RAIN JET'S PATENTED ROTARY VALVE GIVES TRUE SQUARE PATTERN COVERAGE. BECAUSE FEWER RAIN JETS ARE NEEDED, YOU CAN INSTALL THEM YOURSELF EASILY AND WITH FAR LESS DIGGING AND PIPING. MATERIAL COST: ABOUT 4½¢ PER SQ. FT. OVER A MILLION SATISFIED CUSTOMERS WORLDWIDE

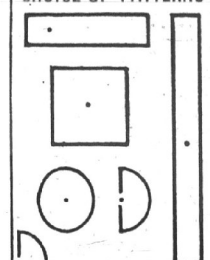

- **IDEAL FOR LANDSCAPED INDUSTRIAL PLANT, HOMES, SCHOOLS, CHURCHES, PARKS, GARDENS. RAIN JETS FIT ANY SIZE YARD. INSTALLATION IS FAST, EASY, INEXPENSIVE.**

**YOU CAN DO IT ALL FOR AS LITTLE AS... 4 ½¢ A SQ. FT.**

THE NOZZLE PORTION OF THE RAIN JET SPRINKLER HAS THREE DISTINCT MOTIONS OR ACTIONS. ONE: THE NOZZLE POPS-UP SO THE ORIFICE IS ABOVE THE LAWN WHEN OPERATING. TWO: THE NOZZLE OR ORIFICE STEM ROTATES. THIS ROTATION IS ACCOMPLISHED BY DIRECTIONAL SLOTS IN THE BODY. THE SWIRLING WATER IN THE BODY TURNS THE STEMS: NO GEARS, NO FLAPPER ARMS, NO BALLS OR IMPACT SPRINGS: ONLY ONE MOVING PART WHICH IS CONSTANTLY LUBRICATED BY THE WATER. THREE: THE NOZZLE STEM PIVOTS ON THE BOTTOM THRUST BEARING TURNING OR ROTATING AND AT THE SAME TIME THE BODY OF NOZZLE PORTION FLOATS FREELY IN A PENDULUM ARC, PERMITTING A CONSTANTLY VARIABLE ORIFICE ANGLE, THUS NO TWO DROPS OF WATER HIT IN THE SAME SPOT CONSECUTIVELY. THE COMBINATION OF POP-UP, ROTARY, PENDULUM ACTION WATER FROM THE HEAD TO THE PERIMETER OF THE PATTERN GIVES AN EVEN DISPERSEMENT OF DROPS, "JUST LIKE RAIN."

## Springtime Automotive Savings Specials From K mart

**LIMITED 12 MONTH WARRANTY**  
REPLACEMENT: LIMITED 13TH - 60TH MONTH PRO-RATA ADJUSTMENT WARRANTY  
Should any Super K-60 battery fail (not merely discharge) within the designated replacement period, the battery may be returned by the original owner to K mart for replacement at no charge upon presentation of sales receipt. After the replacement period but before the expiration date of the warranty, K mart will replace a failed battery to the original owner charging only for the period of ownership, based on the current price at the time of return prorated over the total warranted months, by battery type. This warranty does not apply to batteries which have been damaged, misused, or commercially used by the purchaser.
